"Sounds of the Century" A Musical Success

On April 28th and 29th, Stirling High School Choir presented their tribute to Centennial Year, a musical comedy outlining many of the popular songs of the last century.

The first half of the show was devoted to the late 1800's and the early 1900's as far as 1940. Along with the singing, the well-known dances of the day were re-enacted, and a touch of nostalgia was added by costumes depicting the period.

In the second half of the show, from 1940 to 1967, the choir aptly illustrated how the music's beat changed from a slow, easy-going rhythm to the fast new beat of today's world.

The result was that of a professional production; neatly arranged, smoothly executed, successfully completed.

To add background and body to the Choir, there was a very capable orchestra behind the scenes. These people deserve a great deal of credit, as do those who helped with lights, tickets and ushering. All of these, and more, contributed to the precision of the show.

Most of the praise, however, goes to the choir director, Mr. Don Armstrong, who, all will agree, achieved in the production, the perfection for which he was aiming.

Bingo Enjoyed At Senior Citizens' Club

Bingo — that's what happened at the Senior Citizens Club's weekly meeting last Thursday. This departure from cards met with approval from most of the members, but a few played euchre and a group had a friendly visit.

Twenty games of bingo were called by Mr. Guy Bradshaw, while the ladies' committee looked after the details of running the games and distributing the prizes. Suggestions were made that this should be an occasional feature of our Fall and Winter program.

The usual community singing sharpened the appetites to enjoy the substantial lunch provided by the United Church Women, Unit 1.

Fashion Show

Editor's Note: Following is the sec-
ond part of the successful Fashion
Show, sponsored by the Stirling-Dist-
rict Centennial Committee.

(By Mrs. Percy MacMullen)

Stephen is two years old. He wore
a double-lined plush coat with front
buttons and a white straw hat, with
ribbons. Underneath was a dark, red
serge dress, 85 years old and worn by
Mrs. Harold Chambers' father. The
dress was trimmed with fancy braid,
fully lined with box pleats. It had
3 length sleeves and buttons all the
way down the back. He wore hand
knit stockings, 90 years old, which
belonged to Mrs. Rawlins' great-
great-grandmother, and black patent
boots with kid tops. Mrs. McArthur
modelled a two-piece ensemble of
black wool serge. The skirt belong-
ed to Bob's great-grandmother and is
70 years old. The blouse was of fine
grey broadcloth with black fringe
and buttons. Her black straw poke
bonnet was about 100 years of age.

Lee Ann Stapley — nine years of
age, wore a party dress of Cenetene-
l pink crimped cotton with lace
sash, white cotton pantaloons with
collar and cuffs and white velvet
lace frills to match the dress. She
carried a matching parasol and wore
her own blonde ringlets.

Laurie St. Pierre wore a gay yellow
skirt with frilly blouse and mulberry
printed pinafore, poke bonnet and
side-buttoned spats. Her doll wore
a lovely christening gown, 61 years
old, made by Mrs. St. Pierre's grand-
mother. It is in perfect condition
and was made of fine cotton, inser-
tions of lace, hemstitching and pin-
tucking. The full slip had a wide
frill of eyelet embroidery.

Miss Jewel Bailey, twelve years of
age, made her own Centennial gown
of rose-coloured print with frills at
the bottom and cute white pan-
taloons. Quaint boots and a matching
bow in her hair completed her cos-
tume.

Miss Karen Lawes wore a "Colon-
ial Lady" dress of mauve taffeta
with white organdy ruffles and lace.
The floor-length skirt was in white
with mauve and turquoise flowers
and a detachable scarf. She wore a
cameo and carried a gay umbrella.

Miss Gwen Scero wore pink and
white simulated taffeta, full skirt
over a hoop, puff sleeves and black
velvet ribbon for trim. She was wear-
ing a hand-knitted white shawl and
dainty gloves.

dress of pink net over taffeta in
floor-length. The lace bodice had
wide shoulder straps with a net cape.
She carried a crocheted draw string
bag and a matching bow in her hair.
Miss Diane Fox wore a Southern
Belle costume of mauve broadcloth,
full skirt worn over a hoop and trim-
med with double rows of lace, black
velvet necklace with green stone, old
fashioned shoes that buttoned up the
side and a white fan.

Bill West and Julie Hunter wore
gay, printed cotton gowns. Both had
Empire waists, rows of white eye-
let trim, black velvet ribbon and
bows.

Miss Darcy Lawson was dressed in
an 1867 outfit of petticoat, parasol
and bonnet. The dress was of heavy
pink brocade, trimmed with braid and
lace. The undersleeves were pink
and moss green batiste with match-
ing ruffles on the hem of the long,
anklelength dress. Darcy is an ac-
complished equestrian and has her
pony. Her bonnet was copied
from an 1868 English magazine, fash-
ioned of pink organdy and green vel-
vet with pink rosebuds.

Douglas Irish was her escort and
wore a black serge coat worn by the
late James Ralph (one-time undertak-
er in Stirling) and now owned by
Farley Lindenfield. He also wore a
black vest, bow tie, dress shirt, silk
suspenders and cream flannels which
completed his 1880 attire.

At this time a group from Belle-
ville gave several humorous musical
numbers using kitchen utensils,
which were much appreciated. The
nine women are all members of the

son, two local ladies, also joined the
cast for these appearances. The
ladies were all in homemade cos-
tumes and provided music on a large
array of kitchen appliances used ex-

tensively years ago. Mrs. Harold
West, of Stirling, gave piano accom-
paniment.

The commentator resumed and
stated that although fashions flour-
ished among the well-to-do town
dwellers in 1867, in many areas
pioneering was still going on, land
was still being opened up, travel was
difficult and people were still com-
paratively self-sufficient on their own
land. Clothes were often made of
materials that were spun, woven and
sewn at home. Thrift was a neces-
sity and garments were cut down for
children and later made into patch
work quilts. The ethen stated: "At
this time we will show the highlight
of fashions throughout the years."

Mrs. Percy MacMullen — Flor-
ence was modelling her own gown of
reversible English brocade silk, made
in February, 1931, issue of McCall's
magazine featured this new, flatter-
ing handkerchief style skirt on the
cover. Her Empress Eugenie hat
was purchased at Della Caldwell's
Millinery Shop in the autumn of
1927. The pearl necklace was a gift
from her husband on their wedding
day, September 8th, 1916. She also
stole which she used on her wedding
trip to Toronto.

Mr. and Mrs. Les Rawlings — They
wore clothes worn 95 years ago by
Jean's grandparents on their wedding
trip. Jean's cape was according to
pleated satin, trimmed with beading
and lace. The suit was made of
black flannel; the skirt featured a
bustle back with hoops to hold it to
the floor and it had a pleated train.
The front panel of velvet and tiny vel-
vet buttons. She wore red wool wed-
ding mittens and carried a black fan.
She displayed her great-grandmoth-
er's watch and chain which are 130
years old. Her black picture hat
was trimmed with ostrich plumes and
her brown boots were 77 years old.
Les wore a serge suit, completely
lined throughout, vest, trousers and
coat. The frock coat had satin cov-
ered buttons, a dress shirt with 4 in
hand grey and wine tie and high silk
hat. They were on their way to the
Kirk to have their firstborn baptized.
The christening robe was 122 years
old and was made by Jean's great-
grandmother and worn down through
five generations. It was made of

very fine cotton, beautifully pin-
tucked and trimmed with dainty lace.
Numerous rows of eyelet embroidery
and filigree lace were used on this
very lovely robe.

On Thursday evening, Eugene Bur-
rell acted as Jean's own brother and
wore the same costume.

Mrs. Douglas Robson wore a gay
outfit which she had made herself
of black and white striped, glazed
cotton with a long, slim skirt and
floor ruffle. A white blouse with
leg of mutton sleeves and a velvet
clutch bag. It was an afternoon out-
fit in the style of the 1890's.

Mrs. Eugene Burrell — Shirley
wore an afternoon gown of mint
green tulle, with bouffant skirt,
white lace and a matching poke bon-
net. Shirley wore her grandmother's
locket and chain which are 100 years
old.

Mrs. Donald Walker — Madeline
wore a gown of deep blue taffeta
with V bodice and full skirt. It was
trimmed with eyelet embroidery and
metallic rick rack braid. The sides
of the skirt was caught and held by
a Cabbage Rose. Her matching bon-
net was trimmed with gay, red flow-
ers and she carried an authentic
hand-crocheted brown heirloom bag.

The commentator read the Nursing
Centennial in 1861, taken by Florence
Nightingale, which stated there were
25,466 nurses in the British Common-
wealth. 2822 of these were mid-
wives. Most nursing was done in the
home with the nurse on duty twenty-
four hours a day. She had complete
charge of her patient with cot set
up nearby for her to rest. Montreal
Hotel Dieu was one of the first train-
ing hospitals in this country.

Mrs. James Bryant — Lee Ann car-
ried a Florence Nightingale lamp
which was presented to her at her
graduation. She wore a nurse's uni-
form with a simple blue cotton dress with
white bib and apron. The cap of the
1860's was more of a veil and com-

Thoroughly Read

(From "The Printed Word")
One of the drawbacks of daily papers, wrote a weekly editor back in 1927, was that they are getting to be too cumbersome. Some of them, he said, contained such a large amount of reading matter and advertising that much of it was never read. It may be wondered what he would think of papers forty years later.

Some of the weeklies have grown fatter too, and the week-end issue of the New York Times is so big that small boys in New York have been known to make a little pocket money by accepting tips for carrying the Sunday Times home for the feeble residents of Manhattan.
But the point that the editor was leading up to is probably still true: that the weekly paper is likely to be read by all the members of the family right through.

St. Paul's U.C.W. Unit Four

Members of Unit Four met in the Church for their April meeting. They were welcomed by Mrs. Arthur Scott, hostess for the afternoon.

Mrs. G. Carlisle, leader, chaired the meeting. Mrs. H. Waite read several thank you notes from sick and bereaved members. Mrs. Aythart announced a bale would be packed May 11th for the Toronto Depot.

Mrs. Brooks and Mrs. Aythart are the calling committee for May.

Mrs. H. Wells conducted the worship based on the theme "The Church — Christians Scattered." Scripture passages were read by Mrs. S. Williams and Mrs. H. Waite.

The Church is seen clearly as Christians assembled but it is just as truly the church when its members are scattered. The mission of Christ was essentially to reconcile men to God and to one another.

The offering was gathered by Mrs. C. Nix and Mrs. N. Flindall.

Bible study was in charge of Mrs. V. Richardson, who summarized part one of The Church and the World, which gives some necessary background about the beginnings of the church. The Christian Church began as a response to the teaching of Jesus. The name Christian which we claim for ourselves carries with it a responsibility. If our lives are to be a ministry we simply have to have a clearer idea of our faith so we can

discuss it intelligently with others who are still searching.

In these exciting times we have a tremendous responsibility to show our neighbours nearby and worldwide that Christianity is still a force capable of turning the world upside down as it was said about the early church.

The commensurate medium which tells us about what is going on in the world is the daily newspaper. Here we found many items which are proving pressing problems for the church and good discussions followed.

A solo by Mrs. H. Waite, "Jesus My Very Thought of Thee," accompanied by Mrs. H. West, was much enjoyed.

Mrs. H. West voiced thanks to the April committee for the fine program and dainty refreshments.

Attend Scout Conference

Mr. and Mrs. Joe Irish attended the Conference for Scouting with the Handicapped held at O.S.D., Belleville on Saturday, April 22nd. One hundred leaders from Montreal, Ontario and Manitoba and one leader from Newark, New York, attended.

The group was welcomed by Mr. G. R. Locklin, Assistant Superintendent of O.S.D., who gave a very interesting talk on the work being done there. The Cub Pack of O.S.D. gave a demonstration on Cubing with their leaders.

A tour was taken around the campus, visiting the Junior School and residence, the vocational building for boys and the main school classrooms and girls' Vocational classrooms.

A lunch was served in the Main school dining room.

Following lunch, a talk was given by Dr. B. A. Hoddinott on emotional problems of the physically handicapped children, followed by a question period.

The groups then went to various rooms to talk over the needs for

Handicapped Scouting and what can be gained for the boys.

The summary of the talks was led by D. M. Deacon, Commissioner on Handicapped Scouting.

A supper was held in Christ Church put on by the ladies of the District Council. The supper speak-

er was Mr. Lionel Hope, of Peterborough, who received the Cornwell Award. Lionel has never walked and has passed the Queen Scout Award. His talk was on "What Scouting Has Done For Me", which was very interesting. Every leader got a lot out of this Conference.

Orangemen Open Hearts To English Widow

A young English widow and her three small children left Kingston on Friday, saddened, but firm in the knowledge that Canada can be a country of kindness.

Mrs. Allan Stansfield's world had come crashing down on her shoulders Thursday morning when her 33-year-old husband died suddenly at La Salle Hotel, Kingston, where the family was staying until they secured a permanent residence.

The Stansfields had just arrived in Kingston from England Wednesday night. Mr. Stansfield had come here with expectation of finding employment in the textile industry and a new life for his young family.

Mrs. Stansfield and her three children, ages 9, 6 and 4, had no relatives or friends in Canada and little money. When the young widow expressed a desire to return to England with the body of her husband, the federal department of immigration and people in Kingston were quick to extend a helping hand to the newcomers.

Delegates to an Orange Lodge convention, being held in Kingston, passed the plate during their sessions.

STIRLING HORTICULTURAL SOCIETY

Almost any sort of woody tree or shrub (evergreens included) can be moved in the early Spring before growth begins. It is well after transplanting to prevent heavy loss of moisture.

and collected over \$100 for Mrs. Stansfield and her children. Their convention was being held at La Salle Hotel at the time Mr. Stansfield died.

Contributing to the fund were delegates from the Grand Black Chapter of Eastern Ontario, the Provincial Grand Lodge of Ontario and the Provincial Grand Lodge of the Ladies Benevolent Association. The money was presented to Mrs. Stansfield at noon Friday just before she left Kingston by train for Montreal.

Representatives from the three lodge branches gathered with their gift of sympathy at the residence of the Very Rev. Richard G. Fleming, rector of St. George's Cathedral and Dean of Ontario. Dean Fleming had taken the little family to his home following the death of Mr. Stansfield.

The young widow and her three children boarded the train for Montreal at 1:30 p.m. Later in the day the saddened quartet left for England by plane, bound for Mr. Stansfield's home town of Heywood, Lancashire.

The Canadian department of immigration is paying all costs of returning the members of the family and the husband's body to England. The department also paid for mortuary arrangements. A Letter To The Editor

Stirling, Ont.,
April 30, 1967.

Dear Mr. Hulin:
Congratulations, citizens of Stirling!

Once again we have proved that we are solidly behind the youth of our village!

"Keep our high school open!" is the cry. "Don't let us lose our teenagers! We can give them a good education and provide them with any experiences necessary for a complete maturation."

Well, we had our chance this week end. Under the capable direction and sponsorship of a young man in our community, the High School Choir presented an entertaining musical comedy, "Sounds of the Century". Friday night the theatre was "packed" with approximately 120 citizens of our fine, upstanding community. Saturday evening it was somewhat easier to find a seat, I

understand, as the crowd was a little smaller. How many people does our theatre seat? Five hundred, I believe.

"Am I angry? You bet I am!"

"Get the picture?"

Driving Skill Competition

On Monday, May 22nd, the Stirling Agricultural Society will sponsor a driving skill contest at the Fair Grounds in conjunction with a western games show and a beef barbecue. The driving skill contest, or Gymkhana, as it is commonly called, is being organized by the Quinte Auto Sports Club, Inc., an organization of automotive enthusiasts from throughout the Bay of Quinte area. With one hundred dollars in prize money or trophies at stake, the event promises to be exciting for competitors and spectators alike.

The purpose of this Gymkhana is to provide an opportunity for local drivers to compete against each other in a supervised test of driver and automobile, off the public roads. The object of the competition is to travel over a prescribed course in the shortest possible time. The course will be outlined with rubber pilons and time penalties will be assessed to the driver for each pylon he knocks over. The course will be designed to test both a driver's skill and his car's ability in handling, braking, acceleration and overall performance. Each driver will have a number of qualifying runs over the course and his best result will be used in classifying him for the final run. There will be two classes, based on qualification times, and prize money will be distributed evenly for each class.

This Gymkhana is being held as an experiment to evaluate the interest in organized motor sport in this area. The success of the event will insure that more such events, including road rallies and auto hill climbs, can be held in the future. If you're interested in trying out your car and your driving ability, don't miss this opportunity. Or, if you're just curious, there will be lots of spectator room and action is guaranteed. Watch next week's News-Argus for more details on the course and rules and regulations.

children, Helen and Andy, in 1946.

A group of young men from Peterborough provided orchestra music for dancing after 9 p.m.

Several ladies from Stockdale conducted a hilarious mock wedding dur-

ing the programme.

Relatives in the audience were tendered birthday greetings and the group enjoyed a very delightful party.

On May 2nd, 1917, Annie May Orr, daughter of Mr. and Mrs. Samuel Orr, Stockdale, and Hubbard William Faulkner, son of Mr. and Mrs. Harry Edwin Faulkner, Holloway, were married in Stockdale Methodist Parsonage by the Reverend Richard M. Patterson.

Their attendants were the bride's twin sister, Allie, Mrs. Will Johnston and her husband, Mr. Johnston, of Stockdale.

The Faulkners farmed for many years in the Holloway area and have resided in Stirling since 1946.

The groom served overseas in World War II and is a member of the Stirling Legion. Five sons also served in the war and the youngest was in the Home Guard in Canada. They have ten children, 26 grandchildren and two great-grandchildren. One son, Earl, of Creston, B.C., was unable to be in attendance. One daughter, Helen, predeceased.

The family in attendance were six sons, Lorne, Godfrey, Ontario; Roscoe, Kingston; Allen and Jim, Peterborough; Blake and Maurice, of Stirling; three daughters: Barbara, Mrs. Reg. Harte-Maxwell, Peterborough; Joan, Mrs. Ron McDonnell, Milton, Ontario; Shirley, Mrs. Robert Nesbitt, Brampton, Ontario. Most of the family were in attendance.

Stirling friends extend congratulations and best wishes.

Travel Trailer Clubs Plan Ottawa Rally

The Travel Trailer Clubs Association of Ontario will, this year, be holding its Annual Convention-Rally at Lansdowne Park, Ottawa, during the week-end of June 29th-July 3rd, when it is anticipated that close to four hundred trailers will attend. Committee members estimate that approximately a million dollars worth of trailers will be on hand, and that the total value of the rolling stock might very well exceed three million dollars.

The Travel Trailer Clubs Association of Ontario represents sixteen Trailer Clubs from Windsor, London, St. Thomas, St. Catharines, Toronto, Oshawa, Belleville, Kingston, Renfrew and Ottawa. In addition, many of the Boarder Area Clubs have members from the U.S.A., some as far south as Converse, Texas. A delegation of fifteen Trailering Families will be coming in from West Virginia.

The Rally, which will be under the direction of Retiring President Martin Osler, Oshawa, will entertain guests, including Ottawa Mayor Don B. Reid, as well as representatives of the Federal and Ontario Departments of Lands and Forests, and the Ottawa Tourist and Convention Bureau. Gerry Geldert, Ottawa Tourist Director, and his staff, have been most helpful to the committee.

Based on figures from last year's Rally, which was held in Oshawa, the

Committee estimates that approximately sixteen hundred people will be present. Since breakfast will be the only meal prepared within the Trailer Area, it is believed that around four thousand eggs and two hundred and fifty pounds of bacon will be consumed. In effect, the Rally will constitute a community within a community. Consequently, arrangements will be made to have Dairy and Bakery Units remain on the grounds. In addition, first aid, fire fighting equipment, and extra police will be necessary. It is anticipated that the Lansdowne Park Concessionaire will establish a temporary "Corner Store" for the occasion.

Following the Rally in Ottawa, it is expected that most of the Trailers will proceed to the Fair Grounds at Ormstown, Quebec, where arrangements have been made for accommodations as well as a bus service to and from Expo.

The convener of the Rally is D. Stewart Robertson, President of the Ottawa Travel Trailer Club.

Centre Hastings Hockey League Award Winners

Centre Hastings Hockey League individual award winners were announced following a recent league meeting.

Andy Faulkner, high-scoring ace of the pennant-winning Glen Ross Rebels, took home two trophies and placed near the top in another category.

Faulkner was an overwhelming choice as the Most Valuable Player, with Thomasburg's Don Henderson second and Ivanhoe's Richard Chapman third.

Tommy Bennett, of Wallbridge Warriors, won the Most Gentlemanly Player award and Glen Ross' Ted Dobson second. Faulkner tied with Ivanhoe's Ralph Francis for third place.

Faulkner won the league scoring championship with a record of 54 goals and 30 assists for 84 points. Bob Chesher, of Frankford Shoemen, was a close second with 50 goals and 30 assists for 80 points. Jack Wright, Glen Ross, placed third with 67 points.

Reid Mallory, of Plainfield, won honours as rookie of the year by a healthy margin over Frankford's Ivan Smith and Glen Ross' Larry Jeffs. Jerry Mann, of Foxboro Merchants,

won the best defenceman award, followed by Richard Chapman and Ivan Smith.

In the goalies' best average race, Wayne Roe, of the playoff champion Ivanhoe Knights team, paced the field with a 2.1 mark, while Bob Taylor of Glen Ross was second with 2.3. A plainfield combination of Bob Smith and Terry Armstrong placed third despite the team's last-place finish in the seven-team league.

Miss Freda Matthews Guest Speaker At St. Andrew's Presbyterian Women

The April meeting of St. Andrew's Presbyterian Women was held in the church parlour with a good attendance. Words of welcome were expressed by Mrs. G. Haggerty. Mrs. E. Foster and her group were in charge of the meeting. Mrs. George Saries read the scripture lesson. Mrs. Hutchison gave the meditation and developed the prayer portion on the Centennial theme — prayer, people, programme.

Mrs. Foster introduced the guest speaker, Miss Freda Matthews, who told of the work amongst the Indians and Chinese and of the need for more workers. Miss Matthews also spoke of the faith, strength of character and the willingness to witness to their faith of our forefathers. She said that they handed on to us the torch of faith and this is but the beginning. The need is great. The opportunity is unlimited.

We limit our part in taking advantage of the opportunity only as we fail in our interest in and knowledge of the work, in our givings, in our prayers and in rededicating ourselves to His service. We must not fail. Rather, let us give the privilege of journeying with Christians in His paths of service.

Mrs. R. Eggleton thanked Miss Matthews and those in charge of the programme for a wonderful afternoon.

The President conducted the business portion of the meeting and reminded everyone of the next meeting at the home of Mrs. S. McIntosh and asked each one to bring another member. Everyone was reminded of the bales to be packed for Evangel Hall

and the Indian School at Whiteface Bay.

A donation to the W.M.S. of the Presbyterian Women was given by Miss Matthews and Mrs. Barager in memory of their mother, the late Mrs. T. H. Matthews and their sister, the late Mrs. Getra Baker Wannamaker.

A time of fellowship followed and the hostess and her group served a dainty lunch.

Mr. and Mrs. Jack Beswick and Family Honoured

On Friday evening, May 5th, the River Valley Community held a presentation party in the River Valley school house in honour of Mr. and Mrs. Jack Beswick and family. They have lived in this community for the past five years and now have purchased a home in Frankford and taken up residence there.

Mr. John Heron was master of ceremonies for a short programme which opened with a sing song of old favourites.

Humorous selections were given by Mrs. Percy MacMullen and Mrs. Ernest Carr. Mrs. Philip Conley and Mr. Kenneth Morrow provided several musical selections with piano and drums. Mr. J. Heron gave a travelogue with slides of the Northern area where he was employed near the Arctic Ocean. He also showed colourful views of the International Airport and Metropolitan Toronto during the Christmas season and some local views.

The Beswick family were given seats of honour and Mrs. Hadley Richardson read an appreciative address which was signed by Minnie Richardson, Catherine Donohoe and Frances Wilson.

The presentation of a pole lamp,

a set of ash trays, a set of coloured glass tumblers and a spice cupboard of that organization to Rita, who has been a valued member during her stay in the Valley. Mrs. J. L. Donohoe presented the children, Brian and Bruce Beswick, with Centennial glass relish set.

The recipients voiced appropriate thanks and invited the group to visit them in Frankford. The committee

President of River Valley Women's a social hour was enjoyed.

Fashion Show

Editor's Note: Following is the third part of the successful Fashion Show, sponsored by the Stirling-District Centennial Committee.

(By Mrs. Percy MacMillan)

Mrs. James Bryant — Leo Ann carried a Florence Nightingale lamp which was presented to her at her graduation. The nurse's uniform was a simple blue cotton dress with white bib and apron. The cap of the 1860's was more of a veil and completely covered the hair. The wide cuffs were removed when working and put on for special occasions.

The Puritan Family — Mrs. Floyd Armstrong, Mrs. Dennis Armstrong, Mrs. William Morgan and daughter Susie and Miss Jane Sharpe. Elsie, Donna, Vicky, Susie and Jane were dressed in grey print with white cotton aprons and sunbonnets, portraying the simplicity of the garments made by the Puritans. The dresses were made by Elsie and Vicky. The skirt was made of three straight lengths of 36" wide material, pleated at the waist and full at the back. In those days the village cobbler provided the shoes.

Mrs. Ronald Woodbeck — Sally wore a broadened shawl trimmed with silk fringe which was 150 years old. Her street length black satin gown, hat and muff were 55 years old.

Randle Scott — He gave his speech entitled, "The Maple Tree." He is

the son of Mr. and Mrs. Clarence Scott, Mount Pleasant, and attends the Allan Public School, E.S. No. 3. His teacher is Mrs. Grace L. Morton.

Randle won first in the Rawdon Township Public Speaking Contest and came second in the Inspectorate Finals in Stirling.

Three Sisters — Mrs. Harold West, Mrs. John Svoboda and Mrs. Bert Jones, sang with Mrs. Glenn Brooks as accompanist. They rendered "We Three Old Maids," "I'm A Lonely Seabird" and "Forty Years on the Shelf." They wore special costumes on this occasion.

The Little Girl — The Little Girl in the chair could walk with some assistance. She wore a dress 94 years old with a little pinafore. It was intricately made of very fine stitching, pin tucks and lace insertions with an embroidered slip underneath. It belonged to Mrs. Les Rawlings great grandmother.

Mrs. Donald Rodgers — Helen modelled the gown of her great grandmother, Mrs. John Frederick Devolin, which was about 65 years old. It was black satin, completely lined and trimmed with sequins and beading. The skirt was seven panels with bias tucks at the hemline. The shoes, about 55 years old, belonged to Mrs. Rawlings mother.

Mrs. Basil St. Pierre — Beverley modelled a very old fashioned night gown which was worn by Doug Robson's grandmother. The gown is about 70 years old and was made of heavy cotton with lace trim on collar and front of bodice. The lace is all hand crocheted and was fastened to the gown with a crocheted hook. She also wore a night cap and original pantalettes.

Mrs. Gordon Mitts — Madeline made her own polka dot cotton morning dress copied from one her grandmother wore years ago. The long sleeves were trimmed with rick rack

braids. The full skirt is supported by a hoop with matching bonnet and pantalettes. Her white apron was approximately 90 years old.

Mrs. John L. Good — Isabel wore a pale blue moire taffeta dress with sloped shoulders and low set in sleeves. The accent is on back fullness. The hoops were low to show the navy satin feathered braid. The gathered sleeves were trimmed with chantilly lace and a row of small ornamental buttons was used. A bandeau of silk taffeta in braid design was used for headgear.

Wellman's Women's Institute — On Wednesday evening four ladies represented Wellman's W.I. — Mrs. Alfred Akins, Mrs. Burton White, Mrs. Jim Pollock and Mrs. Frederick Beckett. Bessie White wore a dress of polished cotton with a four panel skirt gathered at the waist, tiny collar, long balloon sleeves with lace inserts and tiny black buttons. Her 1867 costume was completed with a sun bonnet. Jean Pollock wore a gown of 1862 featuring a bell shaped skirt, worn many decades ago by a lady of the Wellman's community. It was made of pure black silk with a gathered frill at the hemline. To reinforce its form it is made of four layers of material. The blouse was of fine organdy with leg-o-mutton sleeves, dainty lace and pearl buttons. A cameo pin at the neckline, a hat trimmed with plumes and flowers and high button boots.

Hazel Akins' dress was made of rosebud print with full gathered skirt, long sleeves, all trimmed with rick rack braid and ruffles in the 1867 style. Lucille Beckett wore a centennial outfit which has been in the

Snarr family for several generations and is approximately 100 years old. It was made of black lace and taffeta which featured a high neckline, tiny tucks and lace. The folds of the skirt ended in a wide frill at the hemline. A purple velvet hat with black plume and narrow black fox fur completed this costume.

Mrs. Guy Bradshaw — Edith's gown was made of red and white check arnel. Lace and black velvet were used for trimming. A large frill around the bottom accents the fullness of the skirt. She wore a matching bonnet to complete her ensemble.

Mrs. Tom Hum — Rose's beautiful brown cut velvet gown was worn in the 1860's. The fitted bodice with orange lace trim, leg o' mutton sleeves, gathered full skirt, was worn over a hoop. The matching picture hat was trimmed with lace and ostrich plumes. She carried a tiny metallic purse. She also wore high black button boots and pantalettes.

Happy Birthday — On Wednesday evening the M.C., Mrs. Howard, made the presentation of a bouquet of artificial flowers on the occasion of Rose's birthday anniversary. She carried the bouquet Thursday evening.

Mrs. Claire Knight — Sally Ann made her dress at a cost of 97 cents out of an old skirt and two rag bag dresses. She chose an 1885 model of black and white taffeta with leg o' mutton sleeves, full skirt and a black velvet bustle. She wore a black plume in her hair and carried a white fur muff.

Oakie Lakeys — The nine Belleville ladies with two locals, Mrs. Doug Robson and Mrs. Glenn Whitehead, dressed in bathing suits which they had fashioned themselves to represent days of yore from gingham and aqua satin materials, presented an amusing skit based on near by Oak

Lake. Their theme was "Get in the Centennial Swim; Keep up with the Times as Next Year will be too Late." This act was full of hilarity with balloons and parasols.

Mrs. Wm. Webber — Ellen wore an outfit over 100 years old which was owned by the mother of the late Miss Emily Parker. The skirt was black satin brocade with rows of ruffles at the bottom, falling into a slight train. It is fully lined and the hem is bound with velveteen. The underslip is silk with ruffles and pleats. The Empire style blouse is not as old but has a flange ruffle over the shoulders, buttons at the back and is made of silk brocade broadcloth. A little black taffeta hat trimmed with layers of silk organdy was caught with a square pin.

(To be concluded next week)

MR. AND MRS. JAMES ROBERT TANNER TANNER — RAY WEDDING

Spring Brook United Church was the scene of a lovely Spring wedding on Saturday April 22nd, at 4 p.m. when Gail Marie Ray daughter of Mr. and Mrs. Carl Ray, Spring Brook, was united in marriage to James Robert Tanner, son of Mr. and Mrs. Melville Tanner, Stirling.

Rev. Bruce Small, Stirling, officiated at the double-ring ceremony assisted by Mr. Gordon Apps, Spring Brook.

The church was tastefully decorated with white 'mums, snapdragons and pink carnations. White bows adorned the guest pews.

Wedding music was played by the church organist, Mrs. Florence McKeown, who accompanied the soloist, Mr. Ted Reynolds, Peterborough, as he sang "The Lord's Prayer", "O Perfect Love", following the ceremony.

Given in marriage by her father, the bride entered the church as the guests were united in singing "Praise My Soul The King of Heaven". She looked radiant in a floor-length gown of angel white peau de grenadine, styled with a straight skirt, empire waistline with self-belt and bow, round neckline, long, fitted sleeves

with covered buttons and lily-pointed over the hands, with a chapel-length train. Her nylon veil was held in place with a headpiece of a white rose and lily-of-the-valley. She carried a bouquet of pink shaded roses, white snowdrops and ferns, nestled in tulle and lace with white satin streamers, sprinkled with sequins.

The matron of honour was Mrs. Terry Hutcheon, Brockville, aunt of the bride. Junior bridesmaids were Miss Rhonda Ray, Spring Brook, sister of the bride and Miss Darlene Fox, Stirling, cousin of the bride. They were gowned alike in floor-length dresses of blue bell peau de grenadine, pleated on the bodice, sleeveless with low necklines. They wore blue nylon veils, fashioned to blue flowered headresses, matching blue shoes and white elbow-length gloves. They carried bouquets of white 'mums, pink roses, bordered with pink baby roses, nestled in lace and tulle with white satin streamers, sprinkled with sequins.

Little Lorri Angela Ray, sister of the bride was a dainty wee flower girl, dressed in a blue gown similar to the bridesmaids. She carried a small bouquet of pink and white flowers.

Mr. Marvin Tanner, Brampton, brother of the groom, was groomsmen. Mr. Garry Devolin, Oshawa, and Mr. Grant Ray, of Spring Brook, brother of the bride, were the ushers.

At the reception in the L.O.L. Hall, Spring Brook, the bride's mother received the guests wearing a two-piece lace over taffeta dress in turquoise, with white accessories and a corsage of pink roses. The bridegroom's mother assisted, wearing pink lace over taffeta ensemble with navy accessories and a corsage of pink roses.

The hall was decorated with pink and white streamers, pink and white bells, carnations and fern. The bride's table was centred with a three-tiered wedding cake, decorated with blue roses and silver leaves, topped with two satin wedding bells edged with white pearls and a cluster of white snowdrops in each bell. Two white, pearlized swans decorated the second layer, with a miniature bridal party on the bottom layer. The wedding cake was flanked on each side with "His" and "Hers" heart-shaped cakes, decorated with pink and blue satin roses, topped with a white dove. Pink candles and bouquets of shaded pink 'mums added to the nuptial aspect.

Following the reception, a wedding party was held in the L.O.L. Hall. A number of friends and relatives of the bride and groom enjoyed an evening of dancing followed by a delicious lunch served at midnight.

For her wedding trip to Niagara Falls, the bride chose a two-piece wool suit of mint green with black accessories and an orchid corsage. On their return, they will reside at 320 Surrey Drive, Oshawa.

Out-of-town guests were present from Stirling, Peterboro, Tweed, Belleville, Picton, Brampton, Frankford, Harold, Oshawa, Cordova Mines, Campbellford, Holloway, Ivanhoe, Thomasburg, Brockville, Deseronto, Napanee, Oakville, Kingston and Guelph.

The bride's gifts to her attendants were pearl drop necklaces and to her flower girl, a gold signet ring. The groom's gifts to his attendants were hand-carved cuff link and tie tack sets; the groom's gift to the bride, a cedar hope chest; the bride's gift to the groom, a watch.

Before her recent marriage, Mrs. James Tanner (Gail Ray) was entertained at miscellaneous showers; one given by the girls at the Y.W.C.A., Peterborough; staff of the Peterboro Automotive, at the home of Mrs. Mabel Lattin, Peterboro; and a surprise shower at the home of Mrs. Bob Barron's, Spring Brook, with Mrs. Doug Fox, of Stirling, as co-hostess.

Walkathon In Bleak Weather To Help Those In Trouble

Those boots were made for walking...

And in good cause, too — as young members of the United Church in Stirling and Cannifton demonstrated with both feet Sunday.

About 45 youngsters of United Church H.C. clubs in both Quinte communities and a few adults successfully walked eight miles through Oak Hills countryside in raw, rainy bleakness to prove the point.

Object of the walkathon was to collect money for medical aid for both sides in the Vietnam war.

The result: More than \$350 in money to put a pittance more of impartial mercy in a bitter cup of human problems.

The walk ended in Foxboro, as it began in Stirling — in high spirits despite sweeping rain which lashed the walkers as they mounted the Oak Hills, escorted by provincial police.

On the average, the walkers finished the eight-mile course down Highway 14 in two hours.

Leading the pack was 17-year-old Lyle Faulkner, of Stirling, who figured he covered the course in 100 minutes.

Each of the walkers had found individual sponsors.

After the Foxboro finishing post, the hikers were taken en masse to Cannifton Church, Hall where pastor Rev. Jack Hobbs and Rev. Bruce Small — who both shared the walk — estimated the financial results.

The money goes to the United Church's \$50,000 pledge to supply medical supplies to both sides in the Vietnam conflict.

Afterwards, the group relaxed with folk-singing, had coffee and hot dogs and a conducted debate — "Can a Christian Society Tolerate War?" Bonnie Bateman and Susan Faulkner took the affirmative for St. Paul's Church and were declared the winners. Harvey Putnam was moderator and Rev. Bruce Small summed up the debate. Bob West and Christine Preston were judges from St. Paul's.

Corrections In Music Festival

In the Stirling Music Festival, the gold trophy was presented to Larry Forestell, of Harold.

In the Centenary Music Festival Class, No. 9, Jr. Piano Solo, 16 years and under, Anne Ketcheson was recommended by the adjudicator to proceed to Provincial Finals, to be held in Peterborough, May 23rd to May 25th.

STIRLING HORTICULTURAL SOCIETY

The next meeting will be held on Monday, May 15th, at 8 p.m., at the home of the President, Mrs. Floyd Armstrong.

Senior Citizens' Club

The notice in the Stirling News-Argus that "some business would be discussed at the next meeting" brought out the largest gathering since the snow left.

A longer period than usual was devoted to cards. Mrs. Nora Stapley accompanied on the piano for the singing and Mrs. Harrington gave a humorous reading.

While refreshments were being served by the ladies of the Club, Mr. Geo. Heasman explained that the term of office has now been completed by the executive and requested the pleasure of the members regarding an election to be held May 11th. Nominations would now be in order.

Mr. Bob Patterson spoke of the sacrifice of time and work done by the officers to bring the Club to its present successful state. A vote of thanks was given by the members.

The Rev. F. Crook moved that the present members carry on until December 31, 1967. This was seconded by Mr. Fred Heasman and carried by unanimous vote.

The members were thanked for the confidence placed and support given their officers. A committee of ladies will be appointed to take care of the kitchen duties and a summer program is now being considered. The details will be presented in the near future.

A vote of thanks was given to the ladies who prepared and served the delicious lunch which was enjoyed by all.

Oak Hills Flying Club Salutes Aviation History In Canada

Eight Aircraft Took To The Skies And Flew Over Many Local Communities

Few countries, if any, have a more glorious history in the development and use of aircraft, up to recent years, than has Canada. We have been surpassed in the jet age, but not so in the old days. Canada set the pace for years in freight transport in developing our Northern country. Airmen took to the skies in two world wars in defence of our country and won renown for themselves and respect for their country. Canadian aviation has been flying high ever since, contributing to the further development of aviation and taking her place among the leaders of the world with her wings.

As a Centennial project, Oak Hills Flying Club pays tribute to those who made aviation history for Canada. We salute the past.

On Saturday morning, May 13th, starting at 8.40, eight aircraft took to the skies and flew over many local communities. Four Clergymen were in the flight and prayed over each community and gave a blessing. Prayers were offered in thanksgiving for our many blessings in this wonderful country of Canada and prayers for its future well-being were also offered.

The communities flown over were: Belleville, Tweed, Madoc, Marmora, Havelock, Norwood, Hastings, Campbellford, Stirling, Frankford, Batawa, and Wooler. The flight then returned to Oak Hills Flying Club.

Pilots of the aircraft were: Rev. James F. McGarvey, organizer of this Centennial Ecumenical Fly-Past; Mr. Don Williams, Mr. Ray Irwin, Mr. Bob Fisher, Mr. Allen Lawes, President of Oak Hills Flying Club; Mr. Ken Ray, Mr. Wilfred Turner and Reeve Don Rodgers.

Clergymen taking part were: Rev. James F. McGarvey, Rev. Bruce Small, Rev. A. Appleton and Rev. W. J. Cullen.

Other passengers were John Williams and Ian Crighton.

Campbellford Tax Rate Up

Campbellford Municipal Council set the tax rate last week at 141.5 mills on commercial property and 126.4 mills on residential property.

DR. AND MRS. DONALD E. WOOD Wood — Carleton Wedding

Grace Isabelle, daughter of Mrs. Edmund Allan Carleton, of Stirling, and the late Dr. Carleton, and Donald Edward Wood, M.D., F.R.C.P. (C.), son of Mrs. James H. Wood, of Toronto, and the late Dr. Wood, were married by Canon A. J. Anderson, of Kingston, at St. John's Anglican Church, Stirling, May 6, 1967, at 2 p.m. Dr. Ross Johnson played the wedding music.

Given in marriage by her cousin, Gordon Carleton, the bride wore a floor-length gown of ice blue crystal-ette and organza, featuring a scoop neckline with imported French appliques on the bodice and hem and an Empire waist line from which a short train fell to the floor. Her fingertip veil of silk illusion was held by an ice blue wedding band and she carried a cascade bouquet of white carnations and ivy.

Her attendants, Miss Joan Bain, cousin of the bride, as maid of honour, and Miss Doreen Stoot, as bridesmaid, were dressed alike in street-length dresses of Dior blue Swiss shantung, styled on lines similar to the bride's gown. They wore rose headpieces and veils of matching blue and carried cascade bouquets of Shasta 'mums. The bridegroom's nieces, Miss Margaret and Miss Barbara Dalziel, were flower girls. They wore ice blue flowered organza dresses and carried nosegays of pink sweetheart roses and white 'mums.

James Wood was his brother's attendant and the ushers were Robert Watson, cousin of the bridegroom, and Barclay Simpson.

The reception was held at the Sun Valley Motor Inn, Belleville. The bride's mother wore an ensemble of candy-tuft pink with pink accessories and a gardenia corsage. The bridegroom's mother was dressed in a Liberty print silk dress with a hat of mauve and green nylon tulle and an orchid corsage.

For her wedding trip, the bride chose a peacock blue wool ensemble with Breton sailor hat of pale yellow petals, honey-coloured accessories and a corsage of yellow cymbidium orchids. On their return, Dr. and Mrs. Wood will live in Toronto.

Out-of-town guests were present from Toronto, Scarborough, Brampton, Cooksville, Ottawa, Kingston, Belleville, Madoc, Peterborough, Tweed, Roslin, Hamilton, St. Petersburg, Florida, Detroit, Michigan, New York City.

Prior to Grace's marriage, she was entertained at a miscellaneous shower given by Miss Doreen Stoot and Miss Joan Bain; Supper Party and Teflon Shower at Dr. Barbara Hazlett's home; luncheon by Miss L. Macgillivray; tea by Mrs. James Wood; tea by Mrs. R. Belth and Mrs. J. Villette; cocktail party, by Mr. and Mrs. S. Dalziel for Grace and Dr. Wood, and several dinner parties for both.

On Friday evening, May 5th, Mrs. E. A. Carleton entertained at a buffet supper, following the wedding rehearsal of her daughter Grace, and Dr. Donald Wood. The table was attractively set with lace cloth, centred with silver bowl of pink and white 'mums, and tall, lighted ice-blue candles. Twenty-five guests were present.

Extensive Renovations To Sanctuary St. Paul's United Church Planned

Changes at the Front, New Lighting, Furnishings, Carpeting, Painting Planned

At the Congregational meeting in January of this year at St. Paul's United Church, the congregation voted to spend \$10,000 in painting and making certain renovations to the sanctuary.

Subsequent to the Annual Meeting, the Official Board set up a renovating committee composed of Jack Bush, Wiegand de Jong and Don Williams. The firm of Watson & Wiegand, Architects have also been engaged.

On Tuesday, May 2nd, Mr. Wiegand presented new plans for renovation of the front to the Official Board. These plans involved the changing of the organ to the side. The pulpit on one side and the lectern on the other.

Much investigation went into the problem of the organ. To move the organ to one side for a chancel would cost \$6,000, and this would still leave an old organ. Apparently the organ had been obtained in 1917 for a cost of not more than \$500. In terms of money the organ has certainly given a lengthy and useful work. However, even the best of things will wear out.

Cost Estimated At \$17,000

The cost of renovation, including changes at the front, new lighting, new furnishings, new carpeting, painting of the sanctuary, and the architects fee, was estimated at \$17,000. This is \$7,000 more than approved at the Congregational Meeting.

The Board voted unanimously to go ahead with the architects' design. This means that by August, these plans will be a reality.

Secondly the Board decided that they would solicit private donations for a new organ which would cost in the neighbourhood of \$3,000 and would install the new organ when this amount was raised in a separate fund.

Bantam Practice Thursday Night

All Bantam age softball players are asked to report at the Henry Street Park tomorrow (Thursday) night at 7.00 p.m. A practice will be held and plans made for the season.

Senior Citizens' Club

This is President George taking advantage of Secretary Fred's busy week end, before the take-off to the British Isles for a two months' well-earned holiday. I wish to express my personal thanks to the Masonic Order for the use of their lower hall (free gratis), to our executive and committees on the floor and kitchen, to all our kind friends and organizations for providing lunches, entertainment of all kinds, pictures, travelogues, etc.

Our weekly meeting of May 11th started with the usual card games. The attendance was down slightly, due to inclement weather and other important meetings in town. Rev. Crook and Bob Patterson filled in a little open spot with humorous stories.

Mr. Ernie Munro supplied the lunch, with four young ladies serving. (Many thanks).

This being the nearest Thursday to Mr. Fred's birthday, Mrs. Bell brought a beautiful, large decorated cake, which we all enjoyed, and we sang "Happy Birthday" to Fred.

The highlight of the afternoon came when we said farewell for the next two months to Fred and Dorothy and sang "For They Are Jolly Good Fellows", with a boisterous three cheers and a tiger.

Mrs. Buttiner Belshaw made a presentation, on behalf of the Club, of a trip diary. A few others made personal gifts.

Fred, in expressing his and his wife's, Dorothy's, thanks said they had enjoyed the friendship of the people of Stirling and district and the co-operation of all who had made the Club a success.

Hope to see you all next Thursday.

Fashion Show

Editor's Note: Following is the final part of the successful Fashion Show, sponsored by the Stirling-District Centennial Committee.

(By Mrs. Percy MacMullen)

Mrs. Lorne Bailey — Bessie wore a morning dress in 1867 style of red and white check gingham with matching bonnet. The full skirt was trimmed with rick rack braid and lace was used for bodice trim. She wore a white apron, ready to start work, and a cameo brooch.

Mrs. H. C. Walte — Laura made her own dress from a 1860 pattern, of blue broadcloth. The fitted bodice had a front fastening, side panels, narrow sleeves and small buttons. The skirt, full at the back, was knee length in front, gathering to a

train at the back. The waistline was accentuated with a belt and large bow. Her tiny bonnet was fashioned of white straw and flowers with ribbon ties. She wore her grandmother's silver leaf brooch which was 80 years old.

Mrs. Russell Sills — Mary modeled a navy print with flowers of the Centennial Rose shade. The bodice was trimmed with tiny rose buttons and ruching. White eyelet lace and rose rick rack braid was used for trim with a matching bonnet.

Mrs. Earl Fox — Edna's gown was of the Victorian era, made of blue broadcloth, trimmed with white lace and black ribbon trim. She wore a large traditional hat, trimmed with satin, lace and colourful flowers. Her white wool shawl was brought from Ireland by her grandfather in the 1880's. She carried the ever-popular fan.

Mrs. Herbert Smith — Nellie made her gay, printed cotton dress which could be worn on any occasion. It had stylish bell sleeves. She also wore small felt-lined boots. Her cameo brooch and earrings have been in the family for three generations. She carried a hat box which was approximately 100 years old.

Mrs. Harold Shannik — Betty wore a gown that had been worn by the late Mrs. William H. Patterson approximately 70 years ago. The crepe dress was adorned with black lace with a matching pocket with bell sleeves, a matching plumed hat and umbrella.

Mr. and Mrs. Richard Mocon — Madeline's suit of the 1800's, was

green velvet with a pale green bodice of chiffon over tulle, fashioned and fastened underneath with numerous hooks and eyes. The full skirt was worn over the original bustle which ties around the waist. There were four parts to this original dress and it weighs 35 pounds. She wore a green, ostrich feather in her hair and long green gloves. Richard was outstanding in a United States cavalry uniform of the 1800 period, at the close of the Civil War. At this time, there were a million men in uniform and much unrest. The Americans were threatening to invade Canada, and the symbol of this uniform clearly stands as one of the reasons for Confederation. Richard's beard was very authentic. He has been growing it for six months and the style is 1900 "mutton chop" with modified whiskers.

Mrs. Jack McCaughen — On Thursday evening, Dorothy modeled her ruby red velvet gown with metallic braid following the A-line of the dress and encircles the hem line of the first skirt. This gown can be worn short or long, as it has a detachable bottom part of skirt. She wore a matching bonnet with metallic trim.

Bath Tub Act — On Wednesday evening, Les Rawlings and on Thursday evening, Bob Montgomery from Cow Island, wore red and white horizontal stripes of 1900 vintage.

Bob Hatton in a blue and yellow horizontal strip outfit, with T.N.T., was the swimming champ in 1893. David Short from Hook Hang-Out,

was an 1890 champion, wearing a blue and black horizontal striped bathing suit.

This group gave a humorous demonstration and received hearty applause.

Ushers and Usherettes

During the two evenings, the ushers and usherettes were introduced as follows:

Mrs. Jack Livesey — Kay wore a red print dress in gay ninety pattern with leg-mutton sleeves, lace trim, full skirt with flounce and straw hat, trimmed with feathers and velvet.

Mrs. David Duffin — Evelyn wore a rose and striped dress which was over 100 years old. The white pin-tucked yoke, front and back, was edged with a wide ruffle, trimmed with narrow white ribbon and tiny rose-coloured French knots. She wore a china hand-painted brooch, over 60 years old.

Mrs. Ted Cairns — Betty chose a Colonial style party dress in flowered cotton. It had a gathered skirt. The bodice and drapes were of deep purple taffeta with white organdy rills on the sleeves. She wore her hair in ringlets held with a Spanish comb.

Mrs. Rudy Klompaker — Joan wore a Centennial Rose gown of satin back crepe, trimmed with black lace and beading from neckline to hemline. The full skirt was worn over a hoop. The fitted bodice featured a stand-up collar and kimono sleeves. She carried a black fox muff.

Mrs. Fred Bateman — Ann wore a gown of black satin, at least 50 years

old. It was trimmed with a multitude of beads. Her black granny bonnet was trimmed with sequins and tied under her chin with satin ribbon. She carried a black beaded bag and wore black earrings and a string of long black beads.

Mrs. Donald Irish — June wore a fuchsia taffeta gown, trimmed in blue which featured side bustles. Her jewellery was a beautiful cameo on a ribbon and a matching shawl.

Mr. Ted Cairns — Ted wore the leading style trend in Men's formal attire — a blue wool three-quarter-length coat with accented waist and cut-away coat. The lapels were faced with silk. The matching vest and trousers were favoured by professional men. The suit was worn with a white frilled dickie, with stiff collar and black bow tie and a high silk opera hat.

Fred Bateman — On Wednesday evening, Fred wore a special outfit, sporting tails and bowler, complete with dress shirt and 4-in-hand wine paisley tie and dark trousers. Jack Livesey wore this outfit on Thursday evening and we note that both men were colour blind, wearing one white sock and one red sock.

Bruce Woodbeck arrived from the North Pole just in time for the closing of the show, wearing a fur cap and cap with snow shoes.

A curtain call for all models followed, with a vote of thanks to all participants. "The Queen" closed a very successful Centennial Show and Pageant.

Miss Mary Lowey, of Hamilton, was a week end guest of Mrs. Thos. McKeown and Paul.

Sunday evening guests of Mr. and Mrs. Lindsay Finch and family were Mr. and Mrs. Garland Finch, of Menie and Mr. and Mrs. Jim Snarr and family, of Hoard's Station.

Mr. and Mrs. Wilfred Spencer and Mr. and Mrs. Ellis Jones were Sunday guests of their sister and her husband, Mr. and Mrs. Fred Hubbard, at Napanee.

Mr. and Mrs. Gerald Barnum, of Petherick's Corners, visited her father, Wm. A. Stewart, on Sunday.

Mr. and Mrs. Fred Elliott, of Stirling Mrs. Vernie Heath, Stirling, and Miss Blanche Gibson, Campbellford, were Sunday guests of Mr. and Mrs. Walt Reid and George.

She told of the progress in travel from the first transportation by ox cart, through the first travel by train, bicycle, etc. She also spoke on the changes in communication and the emancipation of women.

Mrs. Rutherford held the attention

of all in her very informative and often humorous talk. She is no stranger to Rylstone, having lived here for several years. She was chosen Secretary of Rylstone Women's Institute when it was inaugurated in 1924.

DON TUCKER

BELL LINES

by R. W. Carleton
your telephone manager

With the first long week end of the 1967 summer only a few days away, I'm taking a good look at my driving habits. If I find that I've slipped unthinkingly into unsafe driving habits perhaps now is the time to make a mid-year resolution to turn over a new leaf. This will likely be the most exciting summer ever for most Canadians. Visitors from other countries and other provinces will be joining in our Centennial celebrations and our highways will be busier than ever leading travellers from one community to another. For most visitors, routes will be unfamiliar ones. Roads which we use every day or week and to us hold no "mysteries" may sometimes be confusing or difficult to a stranger struggling to remember directions or becoming tired after a long day's drive. Simple driving courtesy and a strict "toeing of the line" on safe driving habits could make the trip easier and safer for our visitors... and ourselves.

A real way that every driver could put warmth in his welcome to our visitors is to drive safely and courteously on our highways this summer. Who knows, if we all practise this for six months, it could become so automatic that the annual slaughter on our highways might lessen instead of climb each year. Needless cutting in and out by drivers familiar with a road can confuse another driver searching for road signs; tailgating can lead to an accident if a visitor is unsure of the way. And, really, did belligerent horn-honking ever move traffic any quicker?

It might be a wonderful way of welcoming visitors if we made an effort to keep track of the various happenings in our area during the summer and fall months. That way we'll be able to give helpful directions to visitors... a small courtesy appreciated by any traveller. We are hosts to the world this year. Canadians are usually regarded as quietly friendly, usually helpful and polite. This year we have an unique opportunity of proving to the world just what we are. Often it's the very small things that a traveller remembers with pleasure or distaste. Small things that will colour his desire to return to a happy holiday spot or to vow never to return again. A pleasant smile, a helping hand and the small courtesies that we extended to our friends will provide a store of happy memories for visitors from other lands or other parts of our own country.

And, if you are planning a trip yourself this summer, now is the time to complete arrangements. Your telephone can help you complete this chore quickly and easily. It can "go shopping" for the extra things we always seem to need before a trip; "run errands" to the newspaper, bakery or creamery to stop deliveries while you're away; or call ahead for reservations en route. The familiar telephone makes planning an easy part of a trip.

If your doctor does not submit your OMSIP claim direct, here's what to do:

If you're a subscriber to OMSIP, the Ontario Medical Services Insurance Plan, and you've had medical attention lately, most likely your doctor has put in the claim himself. But if he sends the bill to you, here's what to do to help get your claim settled fast. First, call your doctor's office and remind him you have OMSIP, and ask if he generally bills OMSIP direct. If not, and you must submit his bill your-

self, please make sure the 9 pieces of information listed above are covered. That way, you can help make sure you get speedy payment. All correspondence to OMSIP should be addressed to: OMSIP, 135 St. Clair Ave. W., Toronto 7, Ontario.

We suggest you tear out this page and follow the pattern illustrated.

OMSIP helps pay your doctor's bills faster... when you help by giving us complete, accurate information.

St. Paul's United Church Hi-C Trip To Toronto

(By Jane West)

On Sunday, April 30th, the Hi-C of St. Paul's United Church enjoyed a bus trip to Toronto.

The first stop, Timothy Eaton Memorial Church, was very interesting. If any of you who saw the "Sound of Music" noticed the size of the church in which Maria was married, you will have some idea of the size of Timothy Eaton. It was the largest and most beautiful church I have ever seen.

The Ministerial Board of Timothy Eaton includes six ministers. The three choirs — junior, early adult and senior, are under the capable direction of Dr. David Gueherly, D. Litt. S., who is both the choir-leader and the organist.

The history of Timothy Eaton Memorial Church is a record of what can result when dedicated Christians, in all walks of life, work together,

to achieve a common objective. Timothy Eaton has founded a magnificent church, richer than a thousand churches. Its active members, who number over 1,000 come from a radius of thirty-five miles. There are over twenty organizations and groups meeting weekly at the church for it has become a major centre for youth and adult interests.

The architecture of Timothy Eaton belongs to the period of English Gothic, known as the Decorated Period. The church, seating about 1,000, is 57 feet wide and 71 feet high. The Nave (the long central part of the church) is 117 feet and the Chancel is 45 feet. In the Chancel is the communion table which consists of a three-ton slab of Indiana limestone was a stately Latin Cross. The three steps at its base symbolize the Holy Trinity. Facing the congregation was a lovely stained glass window, embodying Holman Hunt's "The Light of the World".

The Chancel window "The Light of the World" is the focal point from which radiate a series of stained glass windows depicting phases of

the life of our Master. On the east side were scenes of the Nativity, the Baptism, the Temptation; on the south wall — Christ the Teacher and Christ the Healer; on the west side, the Crucifixion, Jesus at Emmaus, Jesus in Gethsemane, Jesus the Comforter. The Great Commandment, the Resurrection and the Ascension.

On the right of the Nave was a handsome board room and on the left side of the church was the West Chapel, which is used for weddings, baptisms and early communions. On the second floor was the East Chapel, where most weddings are held. Adjoining was a spacious Reception room and a modern, fully-equipped kitchen.

Some other interesting facts about the church were: 1. The five-manual Casavant organ had over 5,000 pipes; 2. There were six kitchens in the church, two large ones designed to serve 600-700 and four smaller ones; 3. There was a beautiful and very spacious auditorium in the basement of the church. Not only lectures and plays could be held there, but also wedding receptions.

On our trip from Timothy Eaton to the Wood Green Neighbourhood House, we saw many interesting and well-known places, such as, the new Toronto City Hall and the Ontario Parliament Buildings, decked out in their finest Centennial array.

The Wood Greene Centre or "The Neighbourhood House", as it is called by the people of the area, is located in one of the slum areas of Toronto. People of all ages are welcome to come there whenever they need or want help.

On arrival at Wood Green, we received a warm welcome from the Hi-C. After enjoying a delicious supper, during which good fellowship reigned, we were given a guided tour through their beautiful Church upstairs and Mr. Small even had time to play a tune or two on the organ there.

An interesting person we met at Wood Green was Miss Susan Ingram,

who works with the youth who come there. Susan, who left her parents home in 1933, when she was 15, has no stationary "home" and never knows where she will sleep at night. However, this girl does receive payment from the government for her services as a social worker.

"Too Little for Milo", a chapel play, was presented by the Timothy Eaton Church was produced by a very professional group of amateurs.

Our next stop was St. Paul's Avenue Road, the "Church Where the Action Is". For me, this was the most interesting place we visited. After seeing the upstairs of the church, one would never believe that the basement belonged to the same building. The focal point of the church, which can be seen from the street through the large front glass doors, is a black wall inlaid with sparkling pieces of red, yellow, green and blue glass.

The interior of the basement has been decorated with the young people of Yorkville in mind. The various rooms provide a place for them to relax and find some entertainment. We were even to go into a small room where the painters of the crowd congregated and view their expressions of art.

The people of St. Paul's Avenue Road are performing a great service for the youngsters of Yorkville and our prayers are with them in their work.

A high point of our trip was a walk from St. Paul's Avenue Road through the Yorkville area where we actually rubbed elbows with the Yorkvillites.

Following our walk, we enjoyed a tasty snack at the Colonnade Restaurant. This brought a close to our most interesting and informative excursion.

Our sincere thanks and appreciation to Mr. Frank Smith, Mr. and Mrs. Jack Bush, Mr. and Mrs. Allan Wells, Mrs. Small, and especially to our old stalwart, Rev. Small.

River Valley Women's Institute

On May 14th, Mrs. Roy Tucker was hostess for the monthly meeting of River Valley Women's Institute. There were twenty members and five pre-school children in attendance. An artificial floral bouquet decorated the president's table.

Mrs. Glenn Bush presided, with Mrs. Sheldon McIntosh as pianist. The meeting opened with the Ode, Mary Stewart Collett and a welcome to all. Mrs. Ernest Carr read the minutes and Mrs. J. L. Donohoe gave a full financial statement.

Mrs. Roy Tucker gave a synopsis of the Province of Manitoba. Here agriculture and manufacturing are equal and it has the second largest inland fishery. In 1913, the first 4-11 Clubs for boys and girls were organized in that province. Pictures and maps were displayed.

Mrs. Vernon Harry read an article re Dr. Ethel Chapman, who spent more than fifty years in the Home Economics Department and she also served as editor of Home and Country.

Mrs. Jack Bush read a historical sketch on the Pioneer Village near Toronto. Just recently the old Roblin Mill was moved and set up for display. She also showed a set of transfers of the provinces which is available for embroidery or Artex paints.

Mrs. Percy MacMullen read an invitation from Rylstone WI. to attend the official opening of Barnum Centennial Community Park, on Saturday, June 10th, 1967. The official opening is scheduled for two o'clock that afternoon. She also explained to new members that Public Relations is not a convener'ship. This is an office which should be listed in the officers' column after Branch Directors, but so many Branches do not understand this department of work.

The members are asked to bring in their suggestions to the June meeting for individual Christmas gifts to Abbot's Leigh W.I.

Mrs. Roy Tucker, in her A.C.W.V. message, read "The Tale of the Tr-

veling Quilt" from The Countrywoman Magazine. Miss Mary Wilcock of Colchester Centre W.I. made a recent visit to Soney Creek, Ontario, and donated a beautiful patchwork quilt which each president will inherit for her term of office. Miss Wilcock carried back to England a souvenir plate and silver spoon inscribed with the founder, Adelaide Hunter Hoodless.

The Pennies for Friendship were gathered. Mrs. Roy Bush told of the recent curators' meeting for the District.

Mrs. Gerald Brooks announced that Achievement Day for 4-H Club girls will be on May 27th at Moira Secondary School, Belleville.

There are still seats available for the bus trip to Guelph on June 12th to attend the National Convention.

Plans were completed for the District Annual at Centenary United Church, on Tuesday, May 30th.

A committee was appointed to purchase a gift for Sidney Municipal Hall.

At a later date, there will be further particulars re Centennial Day, August 3rd.

Mrs. Sheldon McIntosh will be hostess for the June meeting when the D.A. reports will be given.

Mrs. Gerald Brooks presided over the programme, wearing her lovely Centennial dress. Two old familiar songs were used as an opening. Mrs. Claude Tucker read a list of current events of recent events which brought the group up-to-date on the news of the community. Mrs. Ernest Carr read an article on the theme "Are You Aging Happily?". It closed with this thought, "Age is the top of a mountain high; Rare the air and blue, A long hard climb; A bit of fatigue, But O, What a wonderful view!"

Mrs. Jack Bush read an article on "The Changing World of Women". This gave a synopsis of what our grandmothers did in days of yore; the work they accomplished; the remedies used for various ills, and their day by day outlook on life.

The writer stressed that we women today in 1967 should have pride in ourselves, our country and our arts. We should feature our Ontario

apples and our cheddar cheese in our restaurants and our banquets and above all we should preserve our architectural landmarks.

The convener closed the program with a contest entitled "Pioneering With Grandmother", which was most interesting. The meeting closed with the Institute Grace and the lunch conveners and hostess served refreshments.

Mrs. Ernest Carr voiced thanks for hospitality and to all who had participated in a successful afternoon.

Benefits of Amalgamation of School Boards Are Outlined

Amalgamation of the Stirling-Rawdon High School District and the Centre Hastings High School District with the Bay of Quinte District would allow earlier provision of better educational services but decreased costs could not be expected.

This was indicated Wednesday night by a top Department of Education official as he addressed a special

meeting of local school boards and municipal officials on cost factors resulting from the proposed high school district amalgamation.

Mr. James Thompson, assistant superintendent of the Ontario Department of Education, spoke to about 75 education and municipal representatives at Centennial Secondary School.

The meeting was chaired jointly by Grant Kerr, chairman of the Bay of Quinte District Board, Belleville Mayor Jack Ellis, Warden Robert Boyce of Prince Edward county and Hastings County Warden William Shannon.

Hastings County Council has already

STIRLING HORTICULTURAL SOCIETY

Most perennials should be transplanted in late May or June and not so late as midsummer. Perennial seeds can be ordered now and frames made ready for them.

ready passed a by-law approving joining of Stirling-Rawdon and Centre Hastings High School Board with the Bay of Quinte Board.

To make the amalgamation official Belleville and Prince Edward also have to pass by-laws.

Mr. Thompson told the meeting that Education Minister, Hon. William Davis, was in favour of larger school areas and district boards of education instead of individual boards for elementary and high schools.

He said a special grant would be paid for three years and for the next three years would be decreased one third per year after which regular per pupil rates would apply.

Mr. Thompson said that government grants on debenture payments at Stirling-Rawdon and Centre Hastings were based on 95 per cent of the approved portion.

In Belleville, such grants were on the basis of 73.9 per cent.

If amalgamation took place the percentage figure would be 82.7 per cent on new debentures for the combined area. However existing debenture payments would continue at the same rate.

Mr. Thompson made brief reference to the present policy of named high school board representatives and said the education minister favoured elected rather than appointed boards.

He said amalgamation would not interfere with any future plans for future boards of education.

Area High School Inspector Ralph W. Frosts said there would be six major advantages to an enlarged school district.

These were: (a) institution of master teachers and subject co-ordinators, (b) visual aids, (c) educational TV, (d) central computer for all educational computers, (e) special school for opportunity classes and (f) shared services of a psychologist, attendance counsellors and guidance co-ordinators.

Mr. Frosts said that the Bay of Quinte District High School Board with its close to 4,000 students was close to being able to provide these services.

However, with amalgamation and the resulting increased enrolment, the services could be provided sooner and easier.

St. John's Anglican Church Women

The May meeting of St. John's Anglican Church Women was held at the home of Mrs. Ernest Carr.

The meeting opened in the usual manner and the President, Mrs. Green, Mrs. S. McArton and Mrs. Ing held May 2nd and 3rd in St. Luke's Church, Kingston. Mrs. J. Green, Mrs. S. McAarton and Mrs. W. Webber attended the services.

The Dorcas Secretary, Mrs. McArton, reported on the bale which is to be packed in Trenton the last week in May. Clean clothing, in good repair, should be left at the Church as soon as possible.

Mrs. Noble, Educational Secretary, gave the reading, "How to Be Bright-Eyed and Bushy-Tailed", followed by "The Mother's Job", read by Mrs. Carr.

The guest speaker was Mrs. J. Good, who gave a very thought-provoking talk entitled "It's Good To Be Alive". Mrs. Carr thanked her, on behalf of the group, and presented her with a gift.

Refreshments were served by the hostess and her co-hostess, Mrs. Wilson, and Mrs. Noble moved a vote of thanks.

Eastern Ontario Concert Orchestra Presents Outstanding Concert

Held At Stirling Theatre On Wednesday Night — Rotary Club Was Sponsor

The Eastern Ontario Concert Orchestra, under the direction of Stephen Choma, presented a very entertaining and varied programme in the Stirling Theatre on Wednesday evening. The orchestra was brought here through the Rotary Club of Stirling.

A fair crowd was in attendance for the concert of this ever-improving group of amateur musicians, both young and old, who under Mr. Choma's guiding hands, demonstrated their increasing abilities as a musical ensemble.

Rotarian Don Williams was master of ceremonies for the concert. The programme ranged over many areas and eras of musical styles.

Overture from the Opera *Didon*, by M. Piccini, was the opener, which gave the full orchestra opportunity to attest its prowess in all departments.

The orchestra continued with *Lit-He Suite* for Orchestra, by F. Erickson; the *West Side Story*, by L. Bernstein; *Snow White Fantasy*, by F. Churchill and Rumanian Overture, by Leac.

The Mozart *Andante* and *Allegro* rendition was well presented.

In the popular vein, we had *Autumn Leaves*, by Johnny Mercer, a medley from *The Sound of Music* and a concluding group of four favorites, *Blue Moon*, *Singin' in the Rain*, *Hi-Lili, Hi-Lo* and *Love is a Many Splendored Thing*. All of these were handled brilliantly by the orchestra, with flair and bounce tossed in for good measure.

Academic Occasion by Canadian composer D. Bruce Snell, was very well played. Mr. Snell wrote this competition especially for Centennial Year.

Lara's theme from Dr. Zhivago allowed the string section full sway.

Francis De Carrol, of Campbellford, guest soloist, sang into the hearts of his listeners. He rendered during the concert, *I Love Thee, Matinata*, *My Journey's End* and *Water Boy*. Lenna Baker was the piano accompanist.

An encore was given by the orchestra, to the continued applause of the audience. Proudest prevailed here, in that Mr. Choma is as proud of his charges to the same degree as the residents of this part of the province hold him in the esteem he deserves for the marvellous way that he has guided his half hundred musical personnel.

Rotarian Elwood Bateman, at the conclusion of the concert, presented Mrs. Marion Stratton, Concert Master, with flowers, on behalf of the local Rotary Club.

Now that this outstanding musical ensemble has performed here in such an outstanding manner, we are sure that this will develop into an annual event. Next year should see a capacity crowd present to enjoy the concert.

Following the programme, the musicians and their families were served refreshments by the Rotary Club.

Legion Notes

Stirling League Executive has completed plans for the Veterans' Week Church Parade to St. James the Minor Church on Sunday, June 11th. The Church Parade is to mark the official opening of Veterans' Week in Canada, as part of the Canadian Centennial celebrations.

All members of Branch No. 228 and all veterans in the district are asked to fall in at Tanner's Service Station at 8.15 a.m., on Sunday, June 11th. The parade will move off at 8.30 a.m. The church service will be under the direction of Rev. J. F. McGarvey, who is also Chaplain of Branch No. 228.

Following the service, which commences at 9 a.m., the Legion will parade to the Cenotaph to place a special Centennial Memorial Wreath. This ceremony will take place at approximately 10.20 a.m. The general public is invited to attend.

Branch members and their wives are reminded of the steak barbecue to be held at the Legion Hall this coming Saturday evening, May 27th, at 7 p.m. Bring your steak — everything else will be provided.

The Legion executive is also making arrangements to charter a bus service for all local Public School students and members of the Stirling Senior Citizens' Club in order that Stirling's younger and older citizens may visit the Canadian Centennial Caravan which will be in Marmora on Tuesday, June 27th.

The Legion executive feels that sponsorship of such a trip will do much to promote a better sense of Canadian citizenship in this our Centennial year. The trip is another of several Legion Centennial projects planned for 1967. The Branch, in making this announcement, hopes to set an example for other groups and organizations in the district — perhaps encouraging others to develop and show a Centennial spirit which somehow is not yet evident in our community.

Further announcements regarding the proposed bus trip to the Centennial Caravan on June 27th will be made in the local Public School and at the Senior Citizens' Club.

4. Why do most of us have difficulty responding easily and naturally to God in family devotions?

The ladies were divided into groups and much interest and many answers were the outcome of the discussions. The meeting closed with prayer by Mrs. Patterson.

St. Paul's UCW Unit Four

On the afternoon of May 16th Unit Four of the U.C.W. met at St. Paul's Church for their monthly meeting with an attendance of approximately thirty ladies.

The ladies were welcomed as they entered by Mrs. Philp. Further words of welcome were spoken by the President, Mrs. Carlisle, after which she read a poem. A hymn was sung with Mrs. H. David at the piano.

Mrs. Ayrhart and Miss Williams were the visiting team for May and reported eight calls had been made. The callers for June will be Mrs. C. Tucker and Mrs. A. Bush. Mrs. Philp reported for Com. Friendship Sec. Mrs. D. Luey.

The members were reminded of several coming events to take place between now and October.

The mission study for next year will centre on Japan.

At a previous meeting there had been considerable discussion re a Centennial project. On motion of Mrs. Herrington, seconded by Mrs. Richardson, it was decided to order booklets descriptive of the Village of Stirling; these to be sold by members at 50c each.

The meeting was then turned over to Mrs. Herrington, who called on three ladies for the Scripture readings: Mrs. E. Wannamaker, Mrs. McMullen and Mrs. Philp.

The offering was gathered by Mrs. Thompson and Mrs. Harlow. The chapter from the study book, dealing with the persecution of the church, was capably presented by Mrs. Camm. She recalled the fact of the stoning of Stephen, who was the first Christian martyr.

New churches sprang up and each faced difficulties. The nature of the Roman antagonism helped in some ways to spread the gospel. The Romans were noted as builders of good roads and their laws protected those travelling on those roads.

The pagans were spiritually hungry. At the heart of the gospel was the person of Jesus Christ. These

encouraged Christian fellow-ships and Christianity spread to Italy, Spain and the Mediterranean world. By 1000 A.D., Christianity had spread to most of Europe. Some of the names mentioned in this progress were King Ferdinand, St. Francis of Assisi and William Carey. The role of laymen in the life of the Church is being stressed today.

Mrs. Carlisle resumed the chair, thanking Mrs. Camm and all who had contributed to the program and closed with prayer. A social half hour was enjoyed over a cup of tea.

Eggleton UCW

On Thursday evening the May meeting of the Eggleton United Church Women was held at the Church with a good number in attendance.

Back in May, 1911, the Eggleton Woman's Missionary Society was organized. In 1962, this became the present United Church Women.

In July, Eggleton Church is being closed, so it was decided to make the May meeting a get-together and invite former members, former residents in the community and other friends to attend.

Mrs. M. Kurbey and Mrs. M. Reid greeted the guests as they arrived, and Mrs. C. Fitchett was in charge of the register, which all signed.

Mrs. Bruce Stapley played soft music and accompanied all the hymns.

The president, Mrs. W. Harlow, opened the meeting with a song service, after which she read an appropriate poem, "The Builder".

Mrs. Frank Smith gave the address of welcome and added a few remarks on the early history of Eggleton Church.

For the devotional, Mrs. Maurice Clancy read 1-12 verses of the 9th chapter of St. Matthew, a Scripture reading selected from the first minute book in 1911. The pastor, Mr. A. P. Smith led in prayer.

Mrs. B. Jones and Mrs. J. Svoboda, of Stirling, sang a duet, accompanied on the piano by their sister, Mrs. Harold West. This was very much appreciated.

A short business period followed when the president announced that the June meeting would be held at the Church on the afternoon of June 8th. No Cemetery bee dinner will be held this year. An invitation was read from the ladies of St. James Church to attend their Centennial Tea on Wednesday, May 17th. A flower sale will be held on Friday afternoon, May 26th.

Mrs. Jones and Mrs. Svoboda favoured with another number.

At this time, Mrs. Bert Reid introduced the guest speaker, Mrs. A. P. Smith, who gave an interesting address on "Willing Workers".

Beautiful flowers adorned the Church and several antiques were on display: tapestry tablecloth, chenille tablecloth, oil lamp, photos and an autographed quilt made by W.M.S. members some 45 years ago.

At the close lunch was served and a social time enjoyed. Several of the ladies wore their Centennial dresses.

I.O.D.E. Marathon Bridge Get-Together

The annual get-together of the I.O.D.E. Marathon Bridge was held at the home of Mrs. Edwin Warren. The evening began with a delicious pot luck dinner, after which ten tables of bridge played.

Mrs. David Duffin and Mrs. Albert Fraser won first prize for the marathon. Second prize was taken by Mrs. Robt. Philp and Mrs. Bruce Glendinning, with only ten points less than the first. Mrs. Florence Bastedo and Mrs. Lyda McKee shared the third place prize.

The evening prizes were won by Mrs. Olive Miller, for high score; Mrs. Carol Faires, with low score, and Mrs. Helen Hubble with the hidden score.

All reported a very enjoyable season and most signed up for the next marathon. There is still room for anyone who wishes to take part in the marathon which will be starting again next Fall.

**Jamboree Still
Playing To
Packed Houses**

Once again on Saturday night, May 13th, the original Trent Valley Country Jamboree at the Stirling Theatre was packed to capacity with five hundred country music fans. This was twelfth performance and more than six thousand people have seen the show. This is not only an attendance record for the Stirling Theatre, but is a record unequalled in Ontario.

Saturday night, the Master of Ceremonies was piped down the aisle to the swirl of the bagpipes, played by Bob Spencer. Sunshine Shawn got a real kick out of this, as he did not know what was going to take place ahead of time. Twenty-five entertainers from the Valley took part in the Jamboree and Lyle Couch kept the people laughing with his wit and stories of life in the Army.

Jack McCaughen and Ken Stapley, the producers of the Jamboree, in- tend to keep the jamboree going if the support continues from the enter- tainers and the loyal country music fans. Each performance they use different entertainers, so each per- formance is different.

The Jamboree is held on the sec- ond, and fourth Saturday nights of each month.

In Memoriam

POTTER — In loving memory of my dear husband, Grant, who left me suddenly May 26th, 1965.

So many things have happened Since you were called away,
So many things to share with you
Had you been left to stay,
Every day in some small way
Memories of you come back my way,
Though absent you are ever near,
Still missed, loved, always dear.

— Lovingly remembered by wife,
Jean. 21-1p

THOMPSON — In loving memory of a dear mother, Mabel P. Thompson, who passed away May 29th, 1965.

A mother who will always remain
In our thoughts and in our hearts.

— Sadly missed by daughter, Bertha, son-in-law, Jim, and grandchildren, Ronnie and Brenda. 21-1

Bethel U.C.W.

The members of Bethel U.C.W. held their annual house cleaning bee at their church on May 17th. After the sweeping, scrubbing and dusting, a short worship service and business session was held.

Mrs. W. Kellar opened the worship service with the hymn, "This Is My Father's World." Psalm 23 was repeated in unison. The theme for the meditation was "The Christian Woman — Her Recreation." What a difference in the meaning of the sentence — "The Lord is My Shepherd"

if a different word is emphasized. A poem, "God give me mountains and the strength to climb up," was read.

Misses Kim Cooney and Ann Hoover received the offering.

Mrs. D. Heath conducted the business session. Plans were made for a "Centennial Sunday" on June 18th. All former members and friends are cordially invited to morning worship, afternoon tea, antique display and evening song service. The ladies will serve light lunch. Also some plans for catering on June 21st were made. A contribution was made to the General Fund. There will not be a June meeting and the July meeting will be held at the home of Mrs. M. Cooney. The meeting closed with the Lord's Prayer.

There were about thirty girls in attendance. The pink and white streamers and bells and balloons of confetti, which were burst from time to time, made a very pleasing setting for the bridal shower.

Several contests kept the guests amused, especially one where the contents of unlabelled tins of food, brought as added gifts to the bride-elect, were to be guessed. Mrs. Bill McAdam also gave a reading.

Miss Maria Heasman read an appropriate address, written in verse style. Nancy was presented with a most varied array of gifts. After unwrapping the gifts, Nancy thanked everyone for them and Sally and Maria for their kindness to her.

Dainty refreshments were served by the hostesses, assisted by their mothers, Mrs. Bill McAdam and Mrs. Ed. Heasman.

Rylstone W.I. Centennial Park

Rylstone Women's Institute have initiated their Centennial program by the establishment of the Barnum Centennial Community Park, situated at the easterly end of County Highway 38 and the Rawdon Township Boundary Line.

This project has been in the making for the past three years. The land was purchased from the County of Northumberland and a deed received in July, 1965. Since that time landscaping has been done, much free labour and many gifts have been received. Interest has been shown by Northumberland and Durham Counties and Rawdon, the Ontario Hydro and private individuals interested in the beautification of this one and a half acres of land.

The high point of interest will have been reached when, on June 10th, the Park will be officially declared open by a "Country Fair".

Warden of the United Counties, Mr. Merrill Van Camp, of Blackstock, will officiate in the opening ceremonies. Present also will be local members of Parliament, County and Municipal officials, as well as charter members of Rylstone W.I., former residents and local people.

As the Centennial Project is part of the farm, formerly owned by Mr. Fred W. Barnum, now deceased, and until sold after Mr. Barnum's death a few years ago, would have been in 1967 in the Barnum name for 100 years, the descendants of the late Caleb Barnum will be special guests and will be represented on the pro-

gramme by Mr. Alfred Barnum, now in his 92nd year, and the oldest living member.

An interesting programme has been arranged. Sentinel Pipe Band will be in attendance, as well as an orchestra group.

There will be an extensive display of arts, crafts and hobbies, including the Art Club of Campbellford, the making of straw hats and rugs, taxidermy, quilts, a display from Mar-mora of weaving, liquid embroidery and refinishing of furniture; also a sale of blankets.

A merry-go-round will be there for the children. Several draws will be made and a bako table and bazaar with neighbouring organizations assisting and hay rides. Boy Scouts and Girl Guides will have displays and local school children will have sales of articles to purchase.

The Senior Citizens of Campbellford have been invited.

W. C. Stapley will be there with his steam engine, as well as an exhibit of farm machinery. Some antique cars are also expected. Local businesses will have displays. Home-made soap and butter-making will also be shown and many antiques will be displayed.

Rylstone Institute will serve buffet lunch from noon on.

Pioneering at Rylstone will be shown in story form.

If weather conditions are favourable, this promises to be one of the

most interesting Centennial events. Everyone is invited and there is no admission charge.

Hi! Ho! Come to the Fair!

A short business period was held and plans were started for a Centennial Community Evening.

The new treasurer gave a satisfactory report on the returns from the sales barn, as well as a sale of plants and bulbs.

**Rawdon T.S.A. Choir
Variety Night
Well Attended**

(Virginia Pollock & Mary Lou Kirn)

On May 6th, a crowd was delighted by the patriotic songs that opened an enjoyable programme presented by the Rawdon T.S.A. Choir under the direction of Mrs. D. Faires.

The entertainment progressed with a comical skit by Randy Spencer and Jerry Heath.

A quartette of Linda Walker, Joanne Burkitt, Patricia Fry and Gail Brownson, preceded a series of two-part songs, during which Rhonda Brown sang "Bells of St. Mary's".

The following soloists captured the audience by singing: "Edelweiss", Jewel Bailey; "My Favourite Things", Dawn Beckett; "Climb Ev'ry Mountain", Janice Clancy and Linda Walker; "I Whistle a Happy Tune", Marlene Shortt; "When You Walk Alone", Linda Walker.

River Valley Public School students held the audience in suspense as they performed tumbling, pyramids and other athletic stunts.

A selection of quaint old-time favourites reminded the older generation of the modern songs in the good old days.

Preceded by a duet by Joanne Burkitt and Gail Brownson, was a play "Madame Camellia's Beauty Parlour" which was greatly enjoyed. The following pupils took part: Linda Walker, Patricia Fry, Virginia Pollock, Mary Lou Kirn, Linn Thain, Barry Linn, Dawn Beckett, Jewel Bailey, Bernie Reid, Randy Spencer.

Janice Clancy, accompanied by the choir, sang "Doin' What Comes Naturally".

The choir delighted the crowd with some modern songs and dances. Soloist Mary Akins sang "Alice Blue Gown", while six Bonarlaw girls, Karen Andrews, Margie Bateman, Rhonda Brown, Chris Ray, Brenda

Edwards and Anne Hewitt, performed a rhythmic drill to the same melody.

The programme continued with sacred classics. Grant Dunham recited while the choir softly accompanied him with "Steal Away".

Mr. L. Couch, who very capably acted as chairman, was presented with a gift by Virginia Pollock.

Fittingly, the programme concluded with "Now The Day Is Over", sung in pairs.

All agreed that the pupils and their music teacher had presented a delightful and most worthwhile evening's entertainment.

Gymkhana Very Successful

In spite of rain and cold weather in the morning, the gymkhana held Monday at the Stirling Fair Grounds was very successful. Twenty-three cars were entered in competition, including a number of local entries. Other competitors came from Belleville, Kingston, Cobourg, Peterboro, Oshawa and Port Hope. A safety inspection was conducted on competing cars by the Belleville O.P.P.

Early in the day, the course was muddy and times were quite high, but as the temperature rose the course dried out and drivers learned the best handling techniques so times dropped steadily. By the time final runs began, the course was in excellent condition.

For the final runs, two classes were formed, based on qualification times. The prize winners for the two classes were as follows:

Class A

1st, Bob Cosar, TR4A, Kingston; 2nd, Norm Storms, VW 1200, Belleville; 3rd, R. Woodley, Volvo 644, Belleville; 4th, Dave Bell, Corvair Corsa, Belleville; 5th, Jack MacDonald, Corvair Corsa, Belleville.

Class B

1st, Rodger Wilson, VW 1500, Port Hope; 2nd, Paul Knight, MGB, Port Hope; 3rd, Al Smith, VW1600, Belleville; 4th, Don Smith, Sunbeam, Belleville; 5th, J. Williams, Morgan-Chevy, Stirling.

Fastest run of the day, Roger Wilson, Port Hope.

The Quinte Auto Sports Club also held a Driver's Trial over a two-mile forest road at Cobourg on Saturday and a rally from Belleville on Sun-

Road Rally

1st, Don Kineer — B. Campbell, Ford Mustang, Kingston; 2nd, Norm Storms — Gord. Smith, VW 1200, Belleville; 3rd, Jack McDonald — Don Reed, Corvair Corsa, Belleville.

It proved to be a very successful week end for motorsports enthusiasts in the Quinte area.

Orange Lodge Receives Letters Of Thanks

The following letter was received by Mr. Godfrey E. Barr, Immediate Past Grand Master of Ontario East. At the recent Grand Lodge Sessions held in Kingston, the organization made a financial contribution to Mrs. Allan Stansfield, whose husband died suddenly in the same hotel where the Lodge sessions were being held.

Dear Mr. Barr:
I am writing to you on behalf of the Government of Canada and, more specifically, on behalf of this Department, to thank you first of all for your kind offer of assistance made to the writer in the matter of the unfortunate death of the late Mr. Allan Stansfield.

I was also requested by Mrs. Stansfield to convey the sincere thanks of herself and her children to you and through you, to the members of your very fine fraternal organization, for the financial assistance donated by your people.

I should also like to convey my own personal thanks to you. You will be long remembered.

Yours very truly,

Geo. D. Macaulay,
Canada Immigration

Similar letters were also received from Rev. Fleming and the Mayor of Kingston.

Spring Brook U.C.W.

The regular May meeting of the Spring Brook United Church Women was held in the Spring Brook United Church basement with Mrs. Gerald McPaul, president presiding.

The worship period was conducted by Mrs. Gerald Broadworth and Mrs. Bert McCoy. A hymn was sung by everyone. Scripture reading was given, followed by a hymn and meditations.

Mrs. George Williams gave a splendid topic on Outreach of the Church to the Indians, African and the community and others. She also mentioned the closing of the many churches that was taking place.

It was decided to send one member from each Junior group to Quin-Mo-Lac Camp (four in all).

Mrs. P. Smith and Mrs. L. Bailey reported for the visiting committee. Plans are underway for a Centennial Tea which will take place in the church and basement on June 1st at 2 p.m.

Since 1949 the Canadian Cancer Society has provided almost twenty million dollars for research and research facilities.

Senior Citizens' Club

While the weather out of doors was cold and damp, where the Senior Citizens congregated there was an atmosphere of warm, cheerful and happy fellowship. They were really a merry group.

Well-played card games were in evidence and Buttimor Belshaw saw that visitors visited and were made welcome. Gertrude Belshaw let her hair down and gave a reading that was really funny and well-received. She also conducted, in a most novel manner, a contest. The prize of a Centennial silver dollar, donated by "My Bank" Les, was won by Walter Hagerman. This was Walter's first visit to our Club and we hope he'll be back often.

President George was really on his toes as he led the sing song, with Nora at the piano. The singing was better than usual, possibly because the songs had a "June Jingle" that remind one of mating time. However, our very good friend, "The Chief — Charlie" was present to see that none of our girls were kidnapped.

At the close of the day, Hub Faulkner and Fred Heasman challenged "The Chief" to a game of euchre. "The Chief" chose Bob as his partner. Who won? Charlie's laughing yet.

We kids sure have lots of fun. Won't you come along, too?

other debris; however the burning must be done under conditions which are safe. Following are a few rules which should be observed in conjunction with burning:

1. Obtain a Fire Permit from the nearest Ranger Station or Township Fire Warden who is authorized as an issuer. It is an offence under the Forest Fires Protection Act and Regulations to burn without authorization in the Forest Fire District, during the Fire Season, April 1st to October 31st.
2. Do not burn during the period 10 a.m. to 6 p.m.
3. Do not burn when winds are brisk or strong.
4. Ensure that sufficient equip-

ment and manpower is on hand to control the fire. It is an offence under the Forest Fires Prevention Act to allow a fire to escape.

5. When burning is completed ensure that a patrol is maintained until the fire is dead out.

Remember that uncontrolled spring fires in light fuels spread very rapidly and may do considerable damage before they can be controlled. There is only one way to avoid them and that is not to let them happen.

When washing windows, add a few drops of bluing and kerosene to sudsy water. Rinse and polish with crumpled newspapers or a lint-free cloth.

Senior Citizens Enjoy Talk

This being the 24th of May, Pres. George arranged a programme that took on a patriotic spirit. Our late "Good Queen Victoria" was remembered in song and programme.

Pres. George was in good form as he led the sing song, consisting of "God Save the Queen", "O Canada" and many other songs ending with the ever-popular "Old Gray Mare". Someone in our group (not George) kept changing the sex of the theme of this song by singing "She ain't what He used to be". Considering the age of our Club members, perhaps that is a mouthful, but we're not giving up the ship yet.

Walter Lindenfield gave a very interesting talk on the life of Queen Victoria. He displayed a lovely, large picture of our late Queen. This was surrounded by clippings, pictures of Royalty and charts of Royal Family trees, and was the effort of the late Mae Currie, a sister of Mrs. Lindenfield. Walter's narration and showing of these brought us up-to-date on much that we had forgotten, as well as paying a fine tribute to our "Good Queen Victoria". Good going, Walter.

A group of our own ladies, headed by the ever-faithful Gertrude Belshaw prepared and served a lovely lunch. Thanks, girls.

Pres. George thanked all who had assisted in any way to make this afternoon one of the best yet. He also introduced a guest, Mr. Kitchener. Mr. Kitchener is a third cousin to the late Lord Kitchener.

Be seeing you every Thursday in June.

Local Lawn Bowling Club Makes Plans For Coming Season

Pot Luck Supper and Club Jitney To Be Held Wednesday at the Club House

Next to archery, Lawn Bowling takes its place as one of the oldest sports in the world. It is also one of the very few that has remained untouched by professionalism.

The oldest lawn bowling green in the world was established in Southampton, England, prior to 1299. The game also played its part in English history. Many are acquainted with the famous game in July, 1588, on Plymouth Hoe, with Sir Francis Drake delivering his bowl as the Spanish Armada was sighted.

The game was brought to Canada in the 18th century by English immigrants. Our close ties with the mother country speeded the transplant.

Members of Stirling Lawn Bowling Club are flexing their muscles these days, readying for the coming season, which will open next Wednesday night, June 7th, with a pot luck supper.

The Club itself is not private or exclusive. The membership fees are moderate and the necessary equipment may be purchased in expensiveness.

Lawn bowling is a great family sport, but it is wrong to class it as a sport for elderly people. In fact, it is one of the most scientific games played, and provides exercise and relaxation to men and women of all ages.

Lawn Bowling is played in the summer and early fall and is faced with stiff competition from other activities in the great outdoors: automobile trips, golf, tennis, baseball and many others. Unlike all these sports, however, lawn bowling assures the beginner that he can become a good player but never an expert or professional such as we know in golf and tennis.

As a sport it is not unlike its sister sport, curling. However, the moveable jack (or tee) offers a greater variety of shots and a wider opportunity to build up an end.

It is felt in some quarters that young people must be attracted to the game. At present Lawn Bowling is in the some period of development as curling was prior to the introduction of the long slide. This revolution attracted hundreds of thousands of youngsters to the winter pastime. Lawn Bowlers are hoping for a similar revolution and results.

Welcome New Members

Once again, the "welcome sign" is up for any person, young or old, wishing to try his or her hand at this fine game. Bowls will be provided and instruction in the game will be provided by Club members.

So come along and try your hand. The Club members are anxious and willing to assist the new bowler.

Engagement

Mr. and Mrs. George A. Sine, Harold, announce the engagement of their daughter, Carol Ann to John Duncan McDonald, son of Mr. and Mrs. Francis McDonald, Napanee. The marriage will take place Saturday, June 24th, 1967, at 12 o'clock noon, in Salem United Church, Harold.

Weekly Meeting Rotary Club

At the weekly dinner meeting of Stirling Rotary Club this week Arthur MacConnell, local television technician and sign painter was initiated into the club. Past President Jack Weatherall very capably performed the initiating duties.

For the program part of the meeting, John Reid, Linda Reid and Laurita Reid, all of Halloway, entertained the members with a group of songs which were much enjoyed. They were introduced by Harold Wells and the thanks of the club expressed by Graham Mouck.

Engagement

Mr. and Mrs. Lloyd Cooney, R.R. 3, Frankford, wish to announce the engagement of their eldest daughter, Judith Carol, to Ross Murray Saries, son of Mr. and Mrs. Ivan Saries, R.R. 1, Harold. The marriage will take place at Mount Pleasant United Church, R.R. 3, Stirling, on Saturday, June 17th, at 12.30 p.m. 21-1

Amalgamation of High School Areas Turned Down By Belleville Council

Belleville city council by a close six to five vote Tuesday turned down the proposed amalgamation of the Centre Hastings Secondary School Area, and the Stirling-Rawdon Secondary School Area with the Bay of Quinte High School District.

The amalgamation, recommended by the Ontario Department of Education and already approved by Hastings county council, requires approval from the city of Belleville and the county of Prince Edward to become

official.

Following Tuesday's surprise vote, Mayor J. R. Ellis said he would seek to have the matter re-introduced into council.

Mr. Roy Dulmage, secretary of the Bay of Quinte District High School Board, said that the action of city council would rule out amalgamation of the school districts for this year.

He said that all three municipal bodies, the county of Hastings, Prince Edward County, and the city of Belleville had to approve before the amalgamation could proceed.

The proposed amalgamation of the two high school areas in Centre Hastings with the Bay of Quinte district, has been the subject of much discussion in the past few months.

The Department of Education officials claim the move would improve educational facilities for all three areas, but Council wanted more assurance that the move would not see the city picking up the tab for increased high school costs.

Alderman Donald Joss took the lead in the attack against the proposed amalgamation.

He agreed that one of the greatest challenges of people in public life was to bring equality of educational opportunity to all children.

But it was equally a necessity and a challenge to carry out the program in a practical and workable manner. He claimed the proposal before council did not do this.

He said the proposal was to integrate a high school area with an enrolment of about 4,000 students with an assessment of \$127,000,000 with an area that has about 1,000

students and an assessment of \$9,000,000.

"We are going to increase the school population by 25 per cent but increase the tax base by only seven per cent," he said.

"The provincial government says it will increase grants for the first three years and then decrease them by one third for the following three years, but what they haven't told us is that there will be substantial debts on the Stirling, Madoc and Marmora high schools which must be repaid and will decrease the said grants."

"Neither," he said, "had the government told us that transportation costs would be increased through students being bussed to Belleville."

The alderman said achievement of educational opportunity for all students was a provincial responsibility. In reply Mayor Jack Ellis said that most of Alderman Joss' statements with respect to the proposed school amalgamation were incorrect.

He said that Mr. Joss' assessment figures were incorrect — the department used adjusted assessment figures, not figures for municipal taxation.

The mayor also discounted Alderman Joss' fears with respect to debt. He said that the cost of the above buildings were 95 per cent subsidized, so the share of the municipalities was small.

In any event the municipalities had agreed to accept the buildings and debentures if the high school board finds they are not necessary.

Alderman Douglas Boyle said there was a whole new concept in education for the future and with it a need

to re-educate the educators. Educational TV was coming and with it enormous costs. The alderman said he favored the amalgamation.

Alderman Enos David said he was 100 per cent for equal educational opportunities but claimed any increased costs should come from the provincial government, not from the citizens of Belleville.

Alderman Don Williams urged the amalgamation be approved immediately.

"If we don't pass the bylaw today education will suffer. If it is going to be passed let us pass it now, not when it is forced on us," he pleaded.

In reference to the proposed amalgamation of the three high school districts, the mayor said city children also stand to benefit.

He said one of the first possibilities following amalgamation would be the construction of a special trades building — "something which we do not have now."

Supporting the motion for amalgamation were Mayor Ellis and Aldermen Boyle, Deacon, Scott and Williams.

Opposing were Aldermen Allan, Carruthers, David, Joss, Keegan and Soden.

The hostess and her assistants served dainty refreshments and all enjoyed a social half hour.

Jehovah's Witnesses To Attend Convention in June

Attend Workshop At Five Oaks

Eighteen Church School teachers from St. Paul's United Church attended a May 28th-30th Week end Workshop at Five Oaks, Paris, Ont. This was a course on the year one curriculum which concerns the teachings of the Old Testaments.

There were teachers from each department attending. Each day involved a round of activities, consist-

ing of worship services, general sessions, and departmental sessions, where the various departments met separately to discuss and compare and help one another learn how to better help the youngster in his or her age group to grow and develop in the Christian faith. In spite of the "busy" sound of this, everyone was impressed by the tranquil atmosphere that is one of the main characteristics of Five Oaks.

One of the highlights of the week end was an address by the Rev.

Ralph Young, who is the brother of the Rev. George Young, the director of Five Oaks. Rev. Ralph Young is a United Church minister working with the World Council of Churches at Geneva, Switzerland, which body specializes in the involving of the laity in the work of the Church. He gave us first hand knowledge of the very real and terrible plight of the homeless, and needy, and starving peoples of the world. He is at present visiting the United States and Canada to speak to and try to influence the ordinary citizen, and that includes you and me, dear reader, to try to persuade our politicians and other men in influential positions, to become concerned about the needy of the world. How can we help? By writing letters to those men whenever we read or hear about anything we know, as Christians, to be wrong. And keep on writing, too, until we get results.

What is Five Oaks, you ask? You would define it as a Layman's Christian Training Centre.

Five Oaks is the centre of the five (hence the "Five" in the name) central Conferences of the United Church of Canada. It depends largely upon donations from both individuals and groups to sustain its work. Five Oaks exists to help lay people learn to make a clearer Christian witness in their work, their homes, community and church. A look at their 1967 calendar shows that people from all walks of life attend courses and conferences there — teachers, nurses, farmers, as well as ministers and laymen. There are also several weeks of family camp when an entire family can spend a few days at this quiet place, to better learn how to live and fulfill their own needs and those of the other members of their families.

Physically, Five Oaks is a beautiful spot, consisting of 100 acres, a few miles from Paris, Ont. It is built on a hill, overlooking the Grand River, and in the summer, swimming is enjoyed in this river. There is a large main building which contains a comfortable lounge, several discussion rooms, offices and billets, on the main floor. Below is a chapel, more discussion rooms, a library, the laundry, kitchen, and dining hall. Scattered below the hill is the Chalet, a large sleeping house, plus several cabins. There is a tennis court and a ball diamond. It is run camp-style and most of us had our turn at serving at the table and cleaning up after. Those attending this week end

course were: Mr. and Mrs. Don Williams, Rev and Mrs. Bruce Small, Mr. and Mrs. Jack Bush, Bob Luery and the Mesdames A. Loucks, E. Bateman, D. Duffin, B. Faulkner, H. Waite, E. Fleming, C. West, W. Grant, G. Richardson, W. de Jong, J. Svoboda.

Pony Express Rides Again — And It's Passing Through Stirling

One of Canada's most ingenious centennial projects — a pony express system across the nation — pass through Stirling on June 11th.

The pony express — composed of more than 3,000 riders from Vancouver to Montreal — will make use of local horsemen and women to carry a message of greetings to Queen Elizabeth II when she visits Expo in early July.

Horsemen in the Quinte area are being enlisted to carry the scroll through Campbellford, Stirling, Frankford, Trenton, Belleville and Napanee.

Each rider will carry the message about a mile and local horsemen and women are asked to contact Bill Farm, of 331 Cannifton Road, Belleville.

The project started last year when Al Legate, 50, rode 2,600 miles up the west coast of North America from Mexico to Victoria, B.C. He carried greetings from the Mexican Charros horsemen of Mexicali, Mexico.

The message is written in old Spanish script on a rawhide scroll. It is carried in an aluminum pipe capped with leather on the ends.

Mr. Legate started the project to promote horsemanship but has since become deeply involved in the centennial spirit of the ride.

He left Mexico on May 1, 1966, and after riding for 8½ months, he arrived in Victoria. He supported himself enroute by breaking wild horses for ranchers.

Following his arrival in Victoria, Al caught the imagination of the B.C. Horsemen's Association and on March 22nd, the first rider left city hall in Victoria on the initial leg of the 3,400 mile trip.

Riders will receive a certificate of recognition for their part in the express system.

So far the youngest rider has been a four-year-old boy who carried the scroll for 1½ miles and the oldest a 75-year-old man who carried the message the usual five mile trek.

To date, more than 2,000 horsemen have participated in the 100 day ride and at the present time the scroll is being carried from the lakehead ports of Fort William and Port Arthur to Toronto.

Carried with the scroll are greeting cards from mayors and reeves. These are being picked up along the way and will also be presented to the Queen.

The project has not received any government assistance or otherwise. His expenses are met by fund raising projects operated by local horse clubs.

The pony express system was organized partly to make the public aware of the lack of riding and hiking trails in Canada.

The project will end in early July when the scroll is presented to Queen Elizabeth II when she visits Expo. Mr. Legate says he doesn't know what his next project will be but hopes to keep promoting the establishment of his riding and hiking trails.

If you're looking for a place to start on home improvements, consider these facts about electric wiring.

To most people, home improvements mean a paneled recreation room or a shiny new set of kitchen cupboards. But there's a way to improve the improvements: modernize your home wiring first.

Up-to-date wiring lets you make the most of the new room you're building, or the old one you're re-styling. It lets you place your lighting wherever you like, have as many electrical outlets as you choose, and use as many appliances as you need without popping fuses.

In fact, you'll notice pleasant changes all through your home. Modern wiring can improve the efficiency of your light-

ing and the performance of your appliances. It puts such comforts as electric heating and air conditioning well within your reach. It can also make a big difference to the safety and re-sale value of your home. Before you reach for your toolbox, reach for your telephone. Call a qualified electrical contractor, or your Hydro.

Up-to-date wiring costs less than you may think. Yet it could be your most important home improvement of all.

OF MANY THINGS

By Ambrose Hills
GOLD ON OUR
KITCHEN TABLE

Carle Hessay took me prospecting over the week-end and we brought home a pretty good haul from the banks of the Fraser River not far from Greenhorn Farm.

Hold on a minute! Not to start a gold rush, please! Carle and I did plenty of shovelling and sweating to get that gold. We put a good two yards of rock, sand and gravel down the sluice box, and carried hundreds of gallons of water. From before noon Saturday up to two o'clock Sunday afternoon we slugged hard, taking time out only for food and sleep. Then we brought the concentrate home to Greenhorn Farm so Nora and the girls could watch the final panning right over the kitchen table.

It was fascinating. By nine o'clock there was a little pile of gold, which together with the dust which had clung to the sluice box blanket, weighed more than a ounce and was worth \$41.00.

Now the twins, Kathy, and Nora all want to take a fling at prospecting. They say it's a lot better hobby than the hunting and fishing I engage in, at an average cost of \$50.00 per bird or fish — at a conservative estimate.

So I'm having a rocker and sluice box made. Any tinsmith can do it. It is really a trough made with aluminum, some screening and an old woolen blanket. I'll let you know the total cost of the outfit when I get the bill. In the event you decide to take it up as a hobby for fun or profit.

As for us, we are hooked! How many farmers have a gold pile on their kitchen table? It looks lovely beside the parsnips — and helps to butter them. Stand aside, Fort Knox — here comes Greenhorn Farm!

OMSIP needs to know... What's new in your family?

Those important events in your family interest OMSIP too! The Ontario Medical Services Insurance Plan needs your help in keeping your file up-to-date...so that, for instance, you get instant coverage of your new baby...or your own coverage when you turn twenty-one...perhaps even reduced rates if you should lose your income!

We suggest you tear out this check-list and keep it handy—and do let us know about these changes in your family.

A Change of Address. Moving's a busy time, but please take a minute to drop us a line.

Marital Status. When you get married, you'll want to put your wife on your own OMSIP contract.

Birth. Please advise OMSIP within 30 days after the baby is born, or adopted, so you'll get effective coverage immediately. Otherwise, there's a 3 month waiting period after notification.

Turning twenty-one. When a dependant comes of age, he is no longer covered by his parent's contract and must take out his own coverage. Again, let us know within 30 days for continuous coverage, or you must expect a 3 month waiting period after notification.

Loss in Income. If your income is reduced or stopped because of unemployment, illness, disability or retirement, you may be eligible for premium assistance. Please make special application to OMSIP.

Old Age Pension. If you are receiving Federal Old Age Security, you do not receive OMSIP coverage automatically. So if you wish to join OMSIP, please apply.

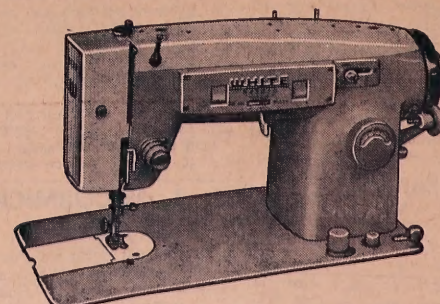

Death. Upon the death of a contract holder, the new head of household should notify OMSIP. Please let us know as well if a dependant dies.

This information, kept up-to-date in your file, helps make sure your OMSIP claims are settled fast. But whenever you write OMSIP, be sure to include your name, address and contract number. Address all OMSIP correspondence to: OMSIP, 135 St. Clair Ave. W., Toronto 7, Ontario.

Over-Inflation Can Damage Tire

Too many motorists have the distorted belief that an automobile tire can stand air pressures up to 50 or 60 pounds. Possibly they can under laboratory test, remarks the Canadian Highway Safety Council, but pressure in a standard automobile tire should never go above 32 pounds.

Overinflation is a dangerous condition for any auto tire, said the Council. Tires run hard and are extremely sensitive to impact damage and weakening of the tire body. Overinflation also causes excessive wear in the centre of the tread. A tire with too much air pressure is more likely to suffer fabric breaks.

The manual that comes with a new car provides proper inflation recommendations. Service stations have data books that show proper inflation for every tire on every car. The Council and Rubber Association of Canada consistently stress the importance of proper inflation to extend the life of a tire as well as enhance its ability to give a smooth, safe ride.

Always the Way
Sitting at home, having a quiet evening, were two spinster sisters. Suddenly one looked up from the paper she was reading and commented: "There's an article here telling of the death of a woman's third husband. She has had all three of them cremated."

"Isn't that life for you?" said the other. "Some of us can't even get one husband, while others have husbands to burn."
